

GOVERNMENT

WHO TAKES CARE OF WHAT?

Your food is safe. Your state has roads and schools. Your community has parks and police. Government makes these things happen... and more.

Safe travel! The Federal Aviation Administration (FAA) ensures that flying is safe.

How much? The U.S. mint manufactures and distributes all coins and bills. The Bureau of Engraving and Printing prints our paper money.

Ensuring national security. The Department of Defense provides the military forces needed to prevent war and keep our country safe.

Protecting plants and animals. U.S. Fish and Wildlife focuses on protecting endangered species.

Is your health? The Food and Drug Administration (FDA) monitors all medicines and sets food safety standards.

Learning more on your behalf. The National Institute of Health (NIH) supports research into the causes and cures of diseases.

911 Quick, call 9-1-1! Your community's first responders — firefighters, police, and EMTs (Emergency Medical Technicians) — are there in minutes.

Read, play, enjoy. If you like libraries, sports fields, parks, and other recreation facilities in your community, say thank you to your local government.

Emergency! Without your local government to issue the rules and to enforce, you may end up with a rough ride.

Behind the wheel. Every state has a Department of Motor Vehicles. When you're old enough to get a driver's license, learn where you'll go.

Go fish! But first you'll need a state-issued fishing license. The same goes for hunting.

Road to go, laws to go. Lawyers and other professionals must pass a state licensing exam in the state where they plan to work.

Amend! Any amendment to our Constitution must be approved in at least 38 states.

Cutting costs. A state controls all the hospitals within its borders and sets strict control over specific facilities.

Electing our President. Every state elects electors for the Electoral College. Electors cast votes for which candidate gets the majority of votes in the state.

Your teachers, your schools. Local communities hire local professionals like teachers. They set school rules and decide whether to send a child to school. What gets taught in the state is responsible.

Electricity, natural gas, and water are responsible to be managed and distributed. Local communities are in charge.

Pick! That's what you might say without the garbage collection provided by your community's sanitation department.
