Danzer,1999-07-23 **US Public Opinion since the 1930s** Richard Seltzer,2022-01-25 This is both a history book and a book on public opinion George Gallup who pioneered survey sampling methods and whose name in fact became synonymous with public opinion polls conducted his first survey in 1936 The main part of this book starts there as well Dedicating a chapter to each decade from the 1930s to the present Seltzer discusses historical events of the period and what the U S public thought of those events according to Gallup polls and other public opinion surveys Each chapter is divided into the following categories world events U S politics race sex and gender the economy science technology and the environment and popular trends Within each chapter approximately 40 survey questions were chosen for more extended analysis breaking down the results by race age gender education region and political party **Everything You Need to Ace U.S. History in One Big Fat Notebook, 2nd Edition** Workman Publishing,2023-04-11 From the brains behind Brain Quest comes the 2nd edition of the revolutionary U S history study guide Updated to include recent history and revised to reflect a more complete balanced recounting of

historical events Big Fat Notebooks offer the support of a knowledgeable teacher in the form of an approachable peer the notes of smartest kid in class Everything You Need to Ace U S History in One Big Fat Notebook is the same indispensable resource so many students depend on updated with new and improved content covering Indigenous history in the U S the legacies of slavery exploration colonization and imperialism and significant current events through 2022 including the COVID 19 pandemic political protests the most recent presidential election and historic nominations to the Supreme Court It will be the cutting edge reference for students as education styles shift toward this informed approach to history The Big Fat Notebooks meet Common Core State Standards Next Generation Science Standards and state history standards and are vetted by National and State Teacher of the Year Award winning teachers They make learning fun and are the perfect next step for every kid who grew up on Brain Quest

Raising Cane in the 'Glades Gail M. Hollander, 2009-11-15 Over the last century the Everglades underwent a metaphorical and ecological transition from impenetrable swamp to endangered wetland At the heart of this transformation lies the Florida sugar industry which by the 1990s was at the center of the political storm over the multi billion dollar ecological restoration of the Everglades Raising Cane in the Glades is the first study to situate the environmental transformation of the Everglades within the economic and historical geography of global sugar production and trade Using among other sources interviews government and corporate documents and recently declassified U S State Department memoranda Gail M Hollander demonstrates that the development of Florida s sugar region was the outcome of pitched battles reaching the highest political offices in the U S and in countries around the world especially Cuba which emerges in her narrative as a model a competitor and the regional other to Florida s self Spanning the period from the age of empire to the era of globalization the book shows how the sugar question a label nineteenth century economists coined for intense international debates on sugar production and trade emerges repeatedly in new guises Hollander uses the sugar question as a thread to stitch together past and present local and global in explaining Everglades transformation

History of the United States American History, 1988 **Ballad of the Green Beret** Marc Leepson, 2017-05-01 The rough and tumble life of Special Forces vet and Sixties pop star Barry Sadler The top Billboard Hot 100 single of 1966 wasn't Paint It Black or Yellow Submarine it was The Ballad of the Green Berets a hyper patriotic tribute to the men of the Special Forces by Vietnam vet Staff Sergeant Barry Sadler But Sadler's clean cut all American image hid a darker side a Hunter Thompson esque life of booze girls and guns Unable to score another hit song he wrote articles for Soldier of Fortune and pulp novels that made Rambo look like a stroll through Disneyland He killed a lover's ex boyfriend in Tennessee Settling in Central America Sadler ran guns allegedly trained guerrillas provided medical care to residents and caroused at his villa In 1988 he was shot in the head by a robber on the streets of Guatemala and died a year later This life and times biography of an American character recounts the sensational details of Sadler's life vividly but soberly setting his meteoric rise and tragic fall against the big picture of American society and culture during and after the Vietnam War

The Philosophy Scare John McCumber, 2016-09-15 This fascinating study reveals the extensive influence of Cold War politics on academic philosophical inquiry and the course of intellectual history From the rise of popular novels that championed the heroism of the individual to the proliferation of abstract art as a counter to socialist realism the years of the Cold War had a profound impact on American intellectual life As John McCumber shows in this fascinating account philosophy too was hit hard by the Red Scare Detailing the immense political pressures that reshaped philosophy departments in midcentury America he shows how the path of American philosophy was altered to follow a political agenda McCumber begins with the story of Max Otto whose appointment to the UCLA Philosophy Department in 1947 was met with widespread protest charging him as an atheist Drawing on Otto's case McCumber details the conservative efforts that by 1960 had all but banished existentialism and pragmatism not to mention Marxism from philosophy departments across the country These paradigms were replaced with what McCumber calls Cold War philosophy ideas that valorized scientific objectivity and free markets and which downplayed the anti-theistic implications of modern thought As McCumber shows the effects of this trend can still be seen at American universities today

International Human Rights Jack Donnelly, Daniel Whelan, 2018-04-17 International Human Rights examines the ways in which states and other international actors have addressed human rights since the end of World War II This unique textbook features substantial attention to theory history international and regional institutions and the role of transnational actors in the protection and promotion of human rights Its purpose is to explore the difficult and contentious politics of human rights and how those political dimensions have been addressed at the national regional and especially international levels The fifth edition is substantially revised throughout including updates on multilateral institutions particularly the UN's Universal Periodic Review process regional systems human rights in foreign policy including a chapter on U.S. policy humanitarian intervention globalization and anti-terrorism and human rights The book also includes a new chapter on the unity of human rights and new case studies exploring the UN Human Rights Council's Special Procedures mechanisms Myanmar and Israeli settlements in West Bank Palestine Chapters include discussion questions case studies for in-depth examination of topics and ten problems tailored to promote classroom discussion on topics such as the war in Syria hierarchies between human rights and much more

Rising from the Flames Samuel L. Leiter, 2009-01-01 This is the first book to describe the way in which the traditional and modern forms of Japanese theater responded to Japan's defeat in World War II It includes sixteen essays by thirteen specialists demonstrating the triumphs and tribulations of Japanese theater during the Allied Occupation 1945-1952

The Cambridge History of Asian American Literature Rajini Srikanth, Min Hyoung Song, 2015-12-01 The Cambridge History of Asian American Literature presents a comprehensive history of the field from its origins in the nineteenth century to the present day It offers an unparalleled examination of all facets of Asian American writing that help readers to understand how authors have sought to make their experiences meaningful Covering subjects from autobiography and Japanese American internment literature to

contemporary drama and social protest performance this History traces the development of a literary tradition while remaining grounded in current scholarship It also presents new critical approaches to Asian American literature that will serve the needs of students and specialists alike Written by leading scholars in the field The Cambridge History of Asian American Literature will not only engage readers in contemporary debates but also serve as a definitive reference for years to come

DeepLight Susan Creighton, 2018-04-11 DeepLight A Memoir of the Soul is a rich narrative of a contemporary woman's spiritual quest Within the context of her extensive study of religious and mystical traditions and her experiences as a woman a monastic and an Episcopal priest Susan Creighton weaves a spiral tapestry of memories journal entries and poetry Her search for an authentic practice of contemplative prayer led across cultural historical and religious boundaries but is most significantly shaped and enriched by the teachings of mystics like St John of the Cross and the ancient tradition of Orthodox ascetical theology and spiritual practice Now living under vows as an anchorite her memoir shares with the reader ways in which the Jesus Prayer and other spiritual practices lead to deeper contemplative prayer as well as helping us develop greater discrimination and compassion for ourselves and others

Reagan Max Boot, 2024-09-10 NEW YORK TIMES 10 BEST BOOKS OF 2024 INSTANT NEW YORK TIMES BESTSELLER Washington Post 50 Best Nonfiction Books of 2024 Best Books of 2024 The New Yorker The Economist Chicago Public Library The Auburn Citizen This elegant biography of the 40th president stands out for its deep authority and nimble style A landmark work New York Times 10 Best Books of 2024 Reagan His Life and Legend aims to be the definitive biography and it succeeds New Yorker Magisterial Important Vivid Splendid Washington Post Son of the Midwest movie star and mesmerizing politician America's fortieth president comes to three dimensional life in this gripping and profoundly revisionist biography In this monumental and impressive biography Max Boot the distinguished political columnist illuminates the untold story of Ronald Reagan revealing the man behind the mythology Drawing on interviews with over one hundred of the fortieth president's aides friends and family members as well as thousands of newly available documents Boot provides the best biography of Ronald Reagan to date Robert Mann The story begins not in star studded Hollywood but in the cradle of the Midwest small town Illinois where Reagan was born in 1911 to Nelle Clyde Wilson a devoted Disciples of Christ believer and Jack Reagan a struggling alcoholic salesman Boot vividly creates a portrait of a handsome young man indeed a much vaunted lifeguard whose early successes mirrored those of Horatio Alger And contextualizing Reagan's life against American history Boot re creates the world in which Reagan transitioned from local Iowa sportscaster to budding screen actor The world of Hollywood from the 1930s to the 1950s would prove significant not only in Reagan's coming of age in such classics as Knute Rockne and Kings Row but during the twilight of his film career when he played opposite a chimpanzee in Bedtime for Bonzo and then his eventual emergence as a television host of General Electric Theater which established his bona fides as one of the leading conservative voices of the time Indeed the leap to California governor in 1966 seemed almost preordained in which Reagan

became a bellwether for a nation in the throes of a generational shift Reagan's 1980 presidential election augured a shift that continues into this century Boot writes not as a partisan but as a historian seeking to set the story straight He explains how Reagan was an ideologue but also a supreme pragmatist who signed pro abortion and gun control bills as governor cut deals with Democrats in both Sacramento and Washington and befriended Mikhail Gorbachev to end the Cold War A master communicator Reagan revived America's spirits after the traumas of Vietnam and Watergate But Boot also shows how Reagan was armored in obliviousness He traces Reagan's opposition to civil rights over forty years reveals how he neglected the exploding AIDS epidemic and details how America experienced a level of income inequality not seen since the Gilded Age With its revelatory insights Reagan His Life and Legend is no apologia depicting a man with a good versus evil worldview derived from his moralistic upbringing and Hollywood westerns Providing fresh examinations of trickle down economics the Cold War's end the Iran Contra affair as well as a nuanced portrait of Reagan's family this definitive biography is as compelling a presidential biography as any in recent decades

The Routledge History of American Foodways Michael D. Wise, Jennifer Jensen Wallach, 2016-02-12 The Routledge History of American Foodways provides an important overview of the main themes surrounding the history of food in the Americas from the pre colonial era to the present day By broadly incorporating the latest food studies research the book explores the major advances that have taken place in the past few decades in this crucial field The volume is composed of four parts The first part explores the significant developments in US food history in one of five time periods to situate the topical and thematic chapters to follow The second part examines the key ingredients in the American diet throughout time allowing authors to analyze many of these foods as items that originated in or dramatically impacted the Americas as a whole and not just the United States The third part focuses on how these ingredients have been transformed into foods identified with the American diet and on how Americans have produced and presented these foods over the last four centuries The final section explores how food practices are a means of embodying ideas about identity showing how food choices preferences and stereotypes have been used to create and maintain ideas of difference Including essays on all the key topics and issues The Routledge History of American Foodways comprises work from a leading group of scholars and presents a comprehensive survey of the current state of the field It will be essential reading for all those interested in the history of food in American culture

The Turkey and the Eagle Caleb S. Rossiter, 2010 This book is about not just the effects but the making of U S foreign policy It shows how advocates of basing U S relations on progress toward democracy struggle in Washington with advocates of support for repressive regimes in return for economic benefits such trade investment and mineral resources and military benefits such as access to their territory for U S armed and covert forces By arguing that the outcome of this struggle is determined by the average citizen's position the book makes readers participants rather than observers By arguing that a cultural pump constantly promotes a vision of American domination as a positive force in the world it encourages readers to analyze the day to day effect of this

vision on their own perceptions Intended for a general audience the book features enough inside tales and colorful characters to intrigue the casual reader but also provides the clear themes and historical context needed for a high school or college text on U S policy after World War II toward the colonized and then post colonial countries **American Scare** Robert W. Fieseler,2025-06-17 A vital expos for both our history and our present day American Scare tells the riveting story of how the Florida government destroyed the lives of Black and queer citizens in the twentieth century In January 1959 Art Copleston was escorted out of his college accounting class by three police officers In a motel room blinds drawn he sat in front of a state senator and the legal counsel for the Florida Legislative Investigation Committee nicknamed the Johns Committee His crime Being a suspected homosexual And the government of Florida would use any tactic at their disposal legal or not to get Copleston to admit it Using a secret trove of primary source documents that have been decoded and de censored for the first time in history journalist Robert Fieseler unravels the mystery of what actually happened behind the closed doors of an inquisition that held ordinary citizens ransom to its extraordinary powers The state of Florida would prefer that this history remain buried But for nearly a decade the Florida Legislature founded funded and supported the Johns Committee an organization using the cover of communism to viciously attack members of the NAACP and queer professors and students Spearheaded by Charley Johns a multi term politician in a gerrymandered legislature the Committee was determined to eliminate any threats to the state s white conservative regime Fieseler describes the heartbreaking ramifications for citizens of Florida whose lives were imperiled profiling marginalized residents with compassion and a determination to bring their devastating experiences to light at last A propulsive human centered drama with fascinating insight into Florida politics American Scare is a page turning reckoning of our racist and homophobic past and its chilling parallels to today Major Problems in American Business History Regina Lee Blaszczyk,Philip Scranton,2006 Designed to encourage critical thinking the Major Problems in American History series introduces students to both primary sources and analytical essays on important topics in U S history The central theme of this volume asserts that the history of business is inexorably linked to politics and culture The authors explore specific issues including foreign policy race and ethnicity gender religion work leisure and technological innovation as well as high and low culture **Cold War** Carole Fink,2013-12-24 Cold War is the first new book on the Cold War in many years It looks beyond the US and USSR and treats the conflict from a global perspective providing new insights and perspectives on key events and important cultural coverage **The Inuit World** Pamela Stern,2021-11-23 The Inuit World is a robust and holistic reference source to contemporary Inuit life from the intimate world of the household to the global stage Organized around the themes of physical worlds moral spiritual and intellectual worlds intimate and everyday worlds and social and political worlds this book includes ethnographically rich contributions from a range of scholars including Inuit and other Indigenous authors The book considers regional social and cultural differences as well as the shared histories and common cultural practices that allow us to recognize Inuit as a single

distinct Indigenous people The chapters demonstrate both the historical continuity of Inuit culture and the dynamic ways that Inuit people have responded to changing social environmental political and economic conditions Chapter topics include ancestral landscapes tourism and archaeology resource extraction and climate change environmental activism and women s leadership This book is an invaluable resource for students and researchers in anthropology Indigenous studies and Arctic studies and those in related fields including geography history sociology political science and education
