Service Profit Chain W. Earl Sasser, Leonard A. Schlesinger, James L. Heskett, 1997-04-10 In this pathbreaking book world renowned Harvard Business School service firm experts James L Heskett W Earl Sasser Jr and Leonard A Schlesinger reveal that leading companies stay on top by managing the service profit chain Why are a select few service firms better at what they do year in and year out than their competitors For most senior managers the profusion of anecdotal service excellence books fails to address this key question Based on five years of painstaking research the authors show how managers at American Express Southwest Airlines Banc One Waste Management USAA MBNA Intuit British Airways Taco Bell Fairfield Inns Ritz Carlton Hotel and the Merry Maids subsidiary of ServiceMaster employ a quantifiable set of relationships that directly links profit and growth to not only customer loyalty and satisfaction but to employee loyalty satisfaction and productivity The strongest relationships the authors discovered are those between 1 profit and customer loyalty 2 employee loyalty and customer loyalty and 3 employee satisfaction and customer satisfaction Moreover these relationships are mutually reinforcing that is satisfied customers contribute to employee satisfaction and vice versa Here finally is the foundation for a powerful strategic service vision a model on which any manager can build more focused operations and marketing capabilities For example the authors demonstrate how in Banc One s operating divisions a direct relationship between customer loyalty measured by the depth of a relationship the number of banking services a customer utilizes and profitability led the bank to encourage existing customers to further extend the bank services they use Taco Bell has found that their stores in the top quadrant of customer satisfaction ratings outperform their other stores on all measures At American Express Travel Services offices that ticket quickly and accurately are more profitable than those which don t With hundreds of examples like these the authors show how to manage the customer employee satisfaction mirror and the customer value equation to achieve a customer s eye view of goods and services They describe how companies in any service industry can 1 measure service profit chain relationships across operating units 2 communicate the resulting self appraisal 3 develop a balanced scorecard of performance 4 develop a recognitions and rewards system tied to established measures 5 communicate results company wide 6 develop an internal best practice information exchange and 7 improve overall service profit chain performance What difference can service profit chain management make A lot Between 1986 and 1995 the common stock prices of the companies studied by the authors increased 147% nearly twice as fast as the price of the stocks of their closest competitors The proven success and high yielding results from these high achieving companies will make The Service Profit Chain required reading for senior division and business unit managers in all service companies as well as for students of service management Why No Fear Linda R. Harmon, 2017-06-13 We never know what tomorrow will bring us whether with family financial health or other issues An annual medical checkup for Linda at the age of nearly sixty two in

December 2006 resulted in the worst words you would want to hear you have cancer Subsequent medical tests and oncologist evaluations resulted in the next worst words to hear you have myelodysplastic syndrome cancer and your pink slip gives you twenty four to thirty six months to live And these words were followed by you need to get your affairs in order Discussions with the doctor indicated they would keep her as comfortable as possible through treatments by chemotherapy blood transfusions shots of procrit and neupogen as well as pain and other comforting medicines What do you do with this death sentence given to you by the medical profession when you feel you are in the prime of your life and have so much to look forward to in the future Do you give up and go along with the doctors recommendations Or do you put on the armor of God and fight Linda chose to fight armed with God s sword of the spirit breastplate of righteousness loins girded with truth and sandals wrapped with the hope of peace The next three years were no cake walk but many times felt like hell on earth This is the story and diary record of how she won with her faithfulness to God and His faithfulness to her We hope you can gain strength from the story of the fight that only God could win Accounting Information Systems Marshall B.
