of us and we don't need to make a mistake. If we buy a bad meal we just don't go back to the restaurant. If our vacation choice isn't fulfilling we can make different plans next year. But when we buy a car we're committing to a longer time frame. Because cars depreciate in value, mistakes can be expensive. Returning a car after two months because it doesn't fit your needs can result in a real financial blow. I wish I could be there to help you in person. Because I can't, I decided to write this book. Drive safely and be well, my friends.
