Notes:

- 1 This agreement sets out the names and address of the co-writers, the name(s) of the song(s), each c-writer's share in the song(s) and whether that share is in respect of words only, music only, or words and music, e.g. Max Smith 25% (words); Zoe Jones 75% (words/music). If the same co-writers' shares apply to more than one song then all such songs can be included on the same agreement. Where the co-writers' contributions are different from song to song then use separate agreements.
- 2 Without a Song Share Agreement a publisher or the courts may infer equal contributions, and the potential for dispute between contributors, particularly if the song writing team splits up, is greatly increased. This Song Share Agreement also includes an assertion of each contributor's 'paternity right' – that is their moral right to be identified as a co-writer of the song(s). Such an assertion is necessary under s 78 of the Copyright Designs and Patents Act 1988 (as amended) before the paternity right can be enforced against those with notice of it.
