

THE INTERVIEW

Last week, John Davison went for an interview. He was wearing his best suit; he was looking pretty good and he felt confident. He knew the job was right for him and he thought he was a good candidate. There were three people on the interview panel. The interview took place on the top floor of a big office block. The questions about the job were easy! John had answers for them all. Then came the usual: what is your best quality? John replied truthfully that he was extremely well organised. The interviewers were pleased and nodded their heads in approval. Then they asked him what his worst quality was. John answered honestly: 'My worst quality is my honesty' he said. The interviewers looked at each other and smiled. The one in the middle said, 'I think honesty is an excellent quality Mr Davison and I am delighted you are honest'.

'I don't really care what you think,' answered John.

Answer the following questions:

1. When did John go for his interview?
2. What was he wearing?
3. How did he feel?
4. Did he think he was suitable for the job?
5. How many people interviewed him?
6. Where did the interview take place?
7. Did they ask him any difficult questions about the job?
8. What question is 'the usual'?
9. What is John's best quality?
10. What is the opposite of that question?
11. Which interviewer said that honesty is a good thing?
12. Did John's final answer surprise you?

**Did you enjoy the joke? *What are YOUR best and worst qualities?*

**Should you always be truthful? Can you think of any situations when it is a good idea to be a bit untruthful and tell white lies?*
