Stanley Scotch and the Land of Giants Kit Jenson, 2015-03-16 Stanley never felt like he fit into the Scotch family He didn't look like them and he certainly didn't act like them He always wondered why until one fateful day his brother got stuck under a boulder Stanley quickly learned that he possessed a great power He can control the earth beneath his feet This twelve year old's life is changed forever when he discovers that not only does he possess these powers but he is not from this land He is from a land known as Empyrean After being picked up by a pair of dwarves who claim to be part of the Royal Guard of Empyrean Stanley is thrown into a foreign land where he has to face ogre attacks and navigating the Land of Giants all alone With the help of a giant squirrel named Ardi and a giant owl named Curux he is able to make it to The Castle of the Peaks where the truth about his past will be revealed Be transported with Stanley to Empyrean where giant animals fairies and dwarves live Where an evil queen threatens to ruin the happiness of everyone within her reach and where Stanley truly discovers who he is A Monograph of the Origins of the Settlements in New Brunswick William Francis Ganong, 1904
