Culture & Language at Crossed Purposes Jerome McGann, 2022-07-29 Culture and Language at Crossed Purposes unpacks the interpretive problems of colonial treaty making and uses them to illuminate canonical works from the period Classic American literature Jerome McGann argues is haunted by the betrayal of seventeenth and eighteenth century Indian treaties a stunned memory preserved in the negative spaces of the treaty records A noted scholar of the textual conditions of literature McGann

investigates canonical works from the colonial period including the Arbella sermon and key writings of William Bradford John Winthrop Anne Bradstreet Cotton Mather s Magnalia Benjamin Franklin s celebrated treaty folios and Autobiography and Thomas Jefferson s Notes on the State of Virginia These are highly practical purpose driven works the record of Enlightenment dreams put to the severe test of dangerous conditions McGann suggests that the treaty makers never doubted the unsettled character of what they were prosecuting and a similar conflicted ethos pervades these works Like the treaty records they deliberately test themselves against stringent measures of truth and accomplishment and show a distinctive consciousness of their limits and failures McGann s book is ultimately a reminder of the public importance of truth and memory the vocational commitments of humanist scholars and educators
