Star Trek Mirror Universe The Sorrows Of Empire:

Star Trek: Mirror Universe: The Sorrows of Empire David Mack, 2009-12-29 One man can shape the future but at what cost In every revolution there is one man with a vision Captain James T Kirk of the United Federation of Planets spoke those prophetic words to Commander Spock of the Terran Empire hoping to inspire change He could not have imagined the impact his counsel would have Armed with a secret weapon of terrifying power and a vision of the alternate universe's noble Federation Spock seizes control of the Terran Empire and commits it to the greatest gamble in its history democratic reform Rivals within the empire try to stop him enemies outside unite to destroy it Only a few people suspect the shocking truth Spock is knowingly arranging his empire's downfall But why Have the burdens of imperial rule driven him mad Or is this the coldly logical scheme of a man who realizes that freedom must always be paid for in blood Spock alone knows that the fall of the empire will be the catalyst for a political chain reaction one that will alter the fate of his universe forever **Star Trek:**

Mirror Universe: Glass Empires David Mack, Greg Cox, Mike Sussman, Dayton Ward, Kevin Dilmore, 2007-02-20 There are moments glimpsed only in shadow where darkness rules and evil incarnate thrives You hope against hope that in your lifetime evil is relegated to the shadows But what if it wasn't What if you lived in a universe where your life was measured only by what you could do for the Empire What would you do to survive Would you sell your soul to free yourself If you were offered the chance to rule would you seize it If you could free your universe from the darkness but only at the cost of your life would you pay that price Star Trek Enterprise she seized power in a heartbeat daring to place herself against all the overlords of the Empire Empress Hoshi Sato knows the future that could be now all she has to do is make sure it never happens For her to rule she must hold sway not only over the starship from the future but also over her warlords the resistance and her Andorian husband As quickly and brutally as Hoshi seized power imperial rule is taken from her Her only chance to rule again is to ally herself with a lifelong foe and an alien Star Trek One man can change the future but does he dare Spock intrigued by the vision of another universe's Federation does what no Vulcan no emperor has ever done seize power in one blinding stroke of mass murder And at the same instant he gains imperial power Spock sows the seeds for the Empire's downfall Is this a form of Vulcan madness or is it the coolly logical plan of a man who knows the price his universe must pay for its freedom Star Trek The Next Generation Humanity is a pitiful collection of enslaved indentured and abused peoples No one dares to question the order except at peril of their lives One man survives by blinding himself to the misery around him However Jean Luc Picard resists just once And in that one instant he unlocks a horror beyond the tyranny of the Alliance Can a man so beaten down by a lifetime of oppression stop the destruction **Star Trek: Mirror Universe:**
