Star Wars and the History of Transmedia Storytelling
Sean Guynes,Dan Hassler-Forest,2025-10-01 Star Wars has reached more than three generations of casual and hardcore fans alike and as a result many of the producers of franchised Star Wars texts films television comics novels games and more over the past four decades have been fans turned creators Yet despite its dominant cultural and industrial positions Star Wars has rarely been the topic of sustained critical work Star Wars and the History of Transmedia Storytelling offers a corrective to this oversight by curating essays from a wide range of interdisciplinary scholars in order to bring Star Wars and its transmedia narratives more fully into the fold of media and cultural studies The collection places Star Wars at the center of those studies projects by examining video games novels and novelizations comics advertising practices television shows franchising models aesthetic and economic decisions fandom and cultural responses and other aspects of Star Wars and its world building in their multiple contexts of production distribution and reception In emphasizing that Star Wars is both a media franchise and a transmedia storyworld Star Wars and the History of Transmedia Storytelling demonstrates the ways in which transmedia storytelling and the industrial logic of media franchising have developed in concert over the past four decades as multinational corporations have become the central means for subsidizing profiting from and selling modes of immersive storyworlds to global audiences By taking this dual approach the book focuses on the interconnected nature of corporate production fan consumption and transmedia world building As such this collection grapples with the historical cultural aesthetic and political economic implications of the relationship between media franchising and transmedia storytelling as they are seen at work in the world s most profitable transmedia franchise *GameAxis Unwired* ,2004-09 GameAxis Unwired is a magazine dedicated to bring you the latest news previews reviews and events around the world and close to you Every month rain or shine our team of dedicated editors and hardcore gamers put themselves in the line of fire to bring you news previews and other things you will want to know **Star Wars Timelines** Kristin Bayer,Jason Fry,Cole Horton,Amy Richau,Clayton Sandell,2023-04-25 Chart the history of Star Wars in this stunning guide from the time before the High Republic to the First Order An indispensable companion for all Star Wars fans this premium quality ebook displays visual timelines that chronologically map key events characters and developments and mark their significance Track crucial conflicts across the years that affect the galaxy in profound ways Follow the Skywalker lightsaber as it passes through the generations and witness the evolution of the iconic TIE fighter across different eras Trace the movement of the Death Star
