1) With reference to cabinet mission, which of the following statements is/are correct?

1. It recommended a federal government.
 2. It enlarged the powers of the Indian courts.
 3. It provided for more Indians in the ICS.
- Select the correct answer using the code given below.

- a) 1 only
- b) 2 and 3
- c) 1 and 3
- d) None

Solution: a)

The cabinet mission plan of 1946 proposed that there shall be a Union of India which was to be empowered to deal with the defense, foreign affairs and communications.

- The Union Government and its legislature were to have limited powers, dealing with Finance, Foreign Affairs and Communications. The union would have powers necessary to raise the finances to manage the subjects.
- All subjects other than the Union Subjects and all the residuary powers would be vested in the provinces.
- Thus, the Cabinet Mission plan proposed a weak Centre with Provincial autonomy – essentially proposing a federal structure of government.

Cabinet Mission (1946)

The British **Government**, now headed by Attlee of the Labour Party, was eager to solve the Indian problem, and hence, announced the appointment of a **Cabinet Mission**, consisting of three members— P Lawrence, Stafford Cripps and A V Alexander. The **Cabinet Mission** arrived in India and they found that the Congress and the Muslim League could not produce a **plan** through consensus. So, they announced their own **plan**, which proposed a **federal government** for the whole of India:

- The provinces would meet in three groups: north-west, east and the rest.
- Any province, if it so wanted to secede from the union, could do so after the first elections.
- The constitution of the union would be drawn up by a constituent assembly of 296 members, elected on communal basis by provincial assemblies and Indian states.
- An interim **government**, representing all parties, would be set up till transfer of power and the new constitution was launched.
