**Gender, Sexuality and Feminism in Pakistani Urdu Writing** Amina Yaqin, 2022-03-08 In this book the author critically interrogates the construction of gender community and nation in the work of progressive women poets The book combines the study of nation and community through a close engagement with Urdu literary culture in the twentieth century and particularly the work of pioneering literary women It argues that gender and sexuality become fixed signifiers in the trauma of partition and the formation of the post partition Islamic nation The story of literary women in Pakistan taking up the mantle of public poets thus has to be understood in relation to the history of reform anti colonial resistance and a transnational Islamicate culture The book examines the presence of feminist thought in the work of progressive women poets charting their interrogation of the clash between secular and sacred values and the increasing split between liberal and Islamic nationalism The book suggests that through their writing and experiences women have negotiated sacred and secular spaces to move beyond a community that is subservient to nationalist ideology

The Shattered Dream Iftikhar Ahmed, 2024-10-22 About my book The book entitled The Shattered Dream A bouquet of short stories is my maiden creation in which I endeavoured to present such stories which mainly highlight the dark elements and sinister as well as malicious intent of some hidden enemies who besiege us from all around thereby ruining our peace and serenity of minds The common man sometimes feel utterly miserable and lonesome in dealing with such malignant forces Life is not always a bed of roses for everybody rather it is replete with unconquerable and insurmountable diabolical elements casting their magical spell on all of us thereby making us enchained in their fetters without presenting any exit passage whatsoever therefrom All the stories of this book not only raise thought provoking questions in the minds of the readers but they also make them experience the pangs and sufferings of this mundane yet mysterious world along with the protagonists of each story The purpose of this book is to explore the bitter truth of human life which is mostly poignant and filled with profound sorrow and grief
