Bullard, 2011-11-15 It is the best case or it is the worst case. Set in the current day, this is the fictional story of the United States in a time of political upheaval which for the third time in our Nation's history pits a portion of the citizenry against a Government that has become oppressive. This story traces the politics of the secession and rebirth of a nation through the political evolution of a young family man from Illinois named Jim Jennings who becomes increasingly involved in the intrigues of politics and war. The men and women who fight the Third Civil War are heroic and patriotic yet as warm and familiar as an old shoe as we see by glimpses into their private lives. Battles are brief and relatively bloodless against uninspired Federal troops in isolated garrisons. The major thrust of the Secessionist forces is to capture and control Federal nuclear assets before they can be used against them. This effort is partially successful in that they manage to capture all of the large strategic weapons and all but eleven tactical nuclear devices. Using conventional means of delivery and various terrorist tactics, the Federal forces will use

these eleven devices in an attempt to destroy the Secessionists Ports and bring the Revolution to an end     The Handy Presidents Answer Book David L Hudson,2011-08-01 A complete look at every President s who what when where why and how From George Washington to Barrack Obama and John Adams to Woodrow Wilson The Handy Presidents Answer Book offers a fascinating look at the lives of each U S president along with a large array of factual anecdotal and historic perspectives on the American presidency Early life and career are covered along with important highlights from each presidency The Handy Presidents Answer Book addresses more than 1 600 broad fundamental questions on the presidents vice presidents first ladies administration staff families campaigns and elections major issues wars scandals tragedies and entertaining White House trivia such as What three presidents died on the Fourth of July Which president regularly swam naked in the Potomac River Which president executed criminals What president was called His Fraudulency because of the controversial way he was elected Which president later became chief justice of the U S Supreme Court Which president was the first to appoint a woman to his cabinet Whose campaign pledge was to bring about a kinder gentler nation The Handy Presidents Answer Book is a must have reference in the truest sense of the word Covering not just the individuals but also the origins of the presidency political parties elections and trivia the book gives depth and context to the office as well as to those who have become president With many photos illustrations and other graphics this tome is richly illustrated and its helpful bibliography and extensive index add to its usefulness     **The Central Law Journal** ,1877 Vols 65 96 include Central law journal s international law list     *Utility Corporations* U.S. Federal Trade Commission,United States.
