### **The Gilded Age: Prosperity, Progress, and Paradoxes (1865–1898)**

The Gilded Age, spanning from 1865 to 1898, was a transformative period in American history, characterized by rapid industrialization, urbanization, and immense wealth juxtaposed against stark social inequalities. Coined by Mark Twain, the term "Gilded Age" suggests a glittering surface masking deeper societal issues.

Post-Civil War America witnessed an industrial boom. The expansion of the railroads, the discovery of vast mineral resources, and technological innovations like the telephone and electric light revolutionized the economy and daily life. Cities like Chicago and New York burgeoned, becoming hubs of commerce, culture, and immigration. The Statue of Liberty, erected in 1886, symbolized the nation's identity as a beacon for immigrants seeking opportunity.

Yet, beneath this prosperity lay stark disparities. Robber barons like John D. Rockefeller, Andrew Carnegie, and J.P. Morgan amassed unprecedented wealth, while many workers, including a growing population of immigrants, toiled in often deplorable conditions for meager wages. Labor strikes, such as the Haymarket Riot of 1886 and the Pullman Strike of 1894, highlighted the widening chasm between the rich and the working class.

Politically, the era was marked by a laissez-faire approach, with the government largely favoring big businesses. However, movements like Populism began to challenge the status quo, advocating for reforms to address economic disparities and corporate monopolies.

Culturally, the Gilded Age was a time of contrasts. While it saw the rise of vaudeville, the spread of popular press, and the works of authors like Twain and Henry James, it also grappled with issues of race, especially in the South where Jim Crow laws enforced racial segregation and disenfranchised Black Americans.

The Gilded Age culminated in the Spanish-American War in 1898, signaling the United States' emergence as a global imperial power with the acquisition of territories like Puerto Rico, Guam, and the Philippines.
