Park, 2025-07-29 How the subtle but significant consequences of a hotter planet have already begun from lower test scores to higher crime rates and how we might tackle them today It's hard not to feel anxious about the problem of climate change especially if we think of it as an impending planetary catastrophe In *Slow Burn* R. Jisung Park encourages us to view climate change through a different lens one that focuses less on the possibility of mass climate extinction in a theoretical future and more on the everyday implications of climate change here and now Drawing on a wealth of new data and cutting edge economics Park shows how climate change headlines often miss some of the most important costs When wildfires blaze what happens to people downwind of the smoke When natural disasters destroy buildings and bridges what happens to educational outcomes Park explains how climate change operates as the silent accumulation of a thousand tiny conflagrations imperceptibly elevated health risks spread across billions of people pennies off the dollar of productivity fewer opportunities for upward mobility By investigating how the physical phenomenon of climate change interacts with social and economic institutions Park illustrates how climate change already affects everyone and may act as an amplifier of inequality Wealthier households and corporations may adapt quickly but without targeted interventions less advantaged communities may not Viewing climate change as a slow and unequal burn comes with an important silver lining It puts dollars and cents behind the case for aggressive emissions cuts and helps identify concrete steps that can be taken to better manage its adverse effects We can begin to overcome our climate anxiety Park shows us when we begin to tackle these problems locally **Calendars**

The Afrocentric Praxis of Teaching for Freedom Joyce E. King, Ellen E. Swartz, 2015-08-27 *The Afrocentric Praxis of Teaching for Freedom* explains and illustrates how an African worldview as a platform for culture based teaching and learning helps educators to retrieve African heritage and cultural knowledge which have been historically discounted and decoupled from teaching and learning The book has three objectives To exemplify how each of the emancipatory pedagogies it delineates and demonstrates is supported by African worldview concepts and parallel knowledge general understandings values and claims that are produced by that worldview To make African Diasporan cultural connections visible in the curriculum through numerous examples of cultural continuities seen in the actions of Diasporan groups and individuals that consistently exhibit an African worldview or cultural framework To provide teachers with content drawn from Africa's legacy to humanity as a model for locating all students and the cultures and groups they represent as subjects in the curriculum and

pedagogy of schooling This book expands the Afrocentric praxis presented in the authors *Remembering History in Teacher and Student Learning* by combining re membered democratized historical content with emancipatory pedagogies that are connected to an African cultural platform *Lone Star Politics* Ken Collier, Steven Galatas, Julie

Harrelson-Stephens, 2016-12-01 In Texas myth often clashes with the reality of everyday governance The Nacogdoches author team Ken Collier Steven Galatas Julie Harrelson Stephens of *Lone Star Politics* explores the state s rich political tradition and explains who gets what and how by setting Texas in context with other states constitutions policymaking electoral practices and institutions Critical thinking questions and unvarnished Winners and Losers discussions guide students toward understanding Texas government This Fifth Edition expands its coverage of civil rights in the state and includes the contemporary issues that highlight the push and pull between federal state and local governments **Asian**

Lee, 2018-10-12 For student research this reference highlights the importance of Asian Americans in U S history the impact of specific individuals and this ethnic group as a whole across time documenting evolving policies issues and feelings concerning this particular American population *Asian American History Day by Day A Reference Guide to Events* provides a uniquely interesting way to learn about events in Asian American history that span several hundred years and the contributions of Asian Americans to U S culture in that time The book is organized in the form of a calendar with each day of the year corresponding with an entry about an important event person or innovation that span several hundred years of Asian American history and references to books and websites that can provide more information about that event Readers will also have access to primary source document excerpts that accompany the daily entries and serve as additional resources that help bring history to life With this guide in hand teachers will be able to more easily incorporate Asian American history into their classes and students will find the book an easy to use guide to the Asian American past and an ideal jumping off point for more targeted research **The First Smithsonian Collection**

Helena E. Wright, 2015-04-28 Outstanding Academic Title Choice 2015 Winner Ewell Newman Award of the American Historical Print Collectors Society 2016 In 1849 the Smithsonian purchased the Marsh Collection of European engravings Not only the first collection of any kind to be acquired by the new Institution it was also the first public print collection in the nation and it presented an important symbol of cultural authority The prints formed part of the library of Vermont Congressman George Perkins Marsh 1801 1882 a member of the Smithsonian s Board of Regents The uncertainty of the Smithsonian s mission in the early years complicated its motivation for purchasing the collection especially given Marsh s position as a Regent in financial difficulty After a serious fire in 1865 portions of the collection were deposited at the Library of Congress and the Corcoran Gallery of Art Efforts to reclaim it began in the 1880s as a new generation of Smithsonian staff expanded the National Museum but they achieved only mixed success Through the story of the Marsh Collection the book explores the cultural values attributed to prints in the 19th century including their prominent role in expositions and their

influence on visual culture at a time when collecting styles were moving from an individual's private contemplation of artworks to wider public venues of exposition in museums and reception by multiple audiences The history of this first Smithsonian collection enlivens an important stage in the development of American cultural identity and in the formation of the Smithsonian as a national institution Asian and Pacific Islander Americans in Congress, 1900-2017 Albin

Exposed Christopher T. Robertson, 2019-12-17 A sharp exposé of the roots of the cost exposure consensus in American health care that shows how the next wave of reform can secure real access and efficiency The toxic battle over how to reshape American health care has overshadowed the underlying bipartisan agreement that health insurance coverage should be incomplete Both Democrats and Republicans expect patients to bear a substantial portion of health care costs through deductibles copayments and coinsurance In theory this strategy empowers patients to make cost benefit tradeoffs encourages thrift and efficiency in a system rife with waste and defends against the moral hazard that can arise from insurance But in fact as Christopher T Robertson reveals this cost exposure consensus keeps people from valuable care causes widespread anxiety and drives many patients and their families into bankruptcy and foreclosure Marshalling a decade of research Exposed offers an alternative framework that takes us back to the core purpose of insurance pooling resources to provide individuals access to care that would otherwise be unaffordable Robertson shows how the cost exposure consensus has changed the meaning and experience of health care and exchanged one form of moral hazard for another He also provides avenues of reform If cost exposure remains a primary strategy physicians hospitals and other providers must be held legally responsible for communicating those costs to patients and insurance companies should scale cost exposure to individuals ability to pay New and more promising models are on the horizon if only we would let go our misguided embrace of incomplete insurance
