Love Lives Here Rowan Jette Knox, 2019-07-30 NATIONAL BESTSELLER An inspirational story of accepting and embracing two trans people in a family a family who shows what s possible when you lead with love All

Amanda Jett Knox ever wanted was to enjoy a stable life. She never knew her biological father and while her mother and stepfather were loving parents the situation was sometimes chaotic. At school she was bullied mercilessly and at the age of fourteen she entered a counselling program for alcohol addiction and was successful. While still a teenager she met the love of her life. They were wed at 20 and the first of three children followed shortly. Jett Knox finally had the stability she craved or so it seemed. Their middle child struggled with depression and avoided school. The author was unprepared when the child she knew as her son came out as transgender at the age of eleven. Shocked but knowing how important it was to support her daughter Jett Knox became an ardent advocate for trans rights. But the story wasn't over. For many years the author had coped with her spouse's moodiness but that chronic unhappiness was taking a toll on their marriage. A little over a year after their child came out her partner also came out as transgender. Knowing better than most what would lie ahead Jett Knox searched for positive examples of marriages surviving transition. When she found no role models she determined that her family would become one. The shift was challenging but slowly the family members noticed that they were becoming happier and more united. Told with remarkable candour and humour and full of insight into the challenges faced by trans people. **Love Lives Here** is a beautiful story of transition, frustration, support, acceptance and of course love. **A Complete English**

The material for the book was taken from diaries covering eight years spent by the author in Far Eastern temples and describe her religious training and her growth of a Zen priest into a teacher running her own temple. **By Your Side** David Richo, 2024-09-24 A

fascinating exploration of the assisting force archetype with powerful psychological tools and spiritual insights on how to find and work with these forces in your life from the bestselling author of *How To Be An Adult in Relationships*. Psychotherapist David Richo draws from history, Jungian psychology, Buddhism, nature and other spiritual traditions to illuminate our connection to the helpers we call upon to navigate life. Some of the assisting forces in our lives are visible and some are invisible. Some are with us for life, some come and go. Spiritual assisting forces could be bodhisattvas and saints or partners in a relationship who are allies to one another. Richo says that helpers are a necessary character on our human journey and that in every heroic journey story the hero or heroine requires a trustworthy companion to fulfill his/her destiny. The assisting force can take many forms but is often depicted as a sidekick, an aide, a wise advisor or a spirit guide. In stories an assisting force can also be an elixir, a magic form of help, an animal or a wish fulfilling gem. In this fascinating inquiry Richo posits that the archetype of the ally is necessary if we are ever to be fully who we are. He shows us how assisting forces are in and around us and how we can be one to others. Richo offers a compelling and accessible view and time tested practices including meditation, self inquiry, journaling and affirmations that help us recognize and access the allies in our lives. The
