Reeves, Annette Yoshiko Reed, 2018-02-22 Across the ancient and medieval literature of Judaism Christianity and Islam one finds references to the antediluvian sage Enoch Both the Book of the Watchers and the Astronomical Book were long known from their Ethiopic versions which are preserved as part of Mashafa Henok Nabi Book of Enoch the Prophet an Enochic compendium known in the West as 1 Enoch Since the discovery of Aramaic fragments among the Dead Sea Scrolls these books have attracted renewed attention as important sources for ancient Judaism Among the results has been the recognition of the surprisingly long and varied tradition surrounding Enoch Within 1 Enoch alone for instance we find evidence for intensive literary creativity This volume provides a comprehensive set of core references for easy and accessible consultation It shows that the rich afterlives of Enochic texts and traditions can be studied more thoroughly by scholars of Second Temple Judaism and early Christianity as well as by scholars of late antique and medieval religions Specialists in the Second Temple period the era in which Enochic literature first appears will be able to trace or discount the survival of Enochic motifs and mythemes within Jewish literary circles from late antiquity into the Middle Ages thereby shedding light on the trajectories of Jewish apocalypticism and its possible intersections with Jewish mysticism Students of Near Eastern esotericism and Hellenistic philosophies will have further data for exploring the origins of gnosticism and its possible impact upon sectarian currents in Judaism Christianity and Islam Those interested in the intellectual symbiosis among Jews Christians and Muslims in the Middle Ages and especially in the transmission of the ancient sciences associated with Hermeticism e g astrology theurgy divinatory techniques alchemy angelology demonology

Varieties of Nothingness Dean Rickles,Leslie Stein,2024-08-20 This book explores the many and diverse ways in which nothingness is weaved into the fabric of our existence It can express the very ground of reality or a cessation of mind a winking out as well as being a guide for painting meditative states It is inescapably linked with the divine in many traditions as a precondition of our existence It is the Pleroma before consciousness and the gateway to enlightenment While these essays are indeed wide ranging and eclectic they share one theme in common nothingness is not nothing

A Transparent Illusion C.R.A. Morray-Jones,2021-10-11 In Jewish hekhalot mysticism one who ascends to the heavenly temple may see something which looks like but is not water Should he be deceived by this illusion he betrays his unworthiness and exposes himself to retribution Detailed examination of the water vision discovers that its real object is the celestial pavement separating the fiery divine realm from the watery world of impure organic matter This pavement is Ezekiel's firmament of hashmal a luminous crystalline substance seen by the visionary from above Further investigation finds that the water vision continues an ancient tradition of exegesis of Ezekiel 1 as an account of a heavenly ascent in which water signifies materiality femininity and impurity The wide and profound influence of these ideas is encountered in a variety of Jewish Christian and Gnostic sources
