Zombie Stories For People With Short Attention Spans:

Zombie Stories for People with Short Attention Spans Shaun Phelps, Shaun Phelps MS, Kyle Clements, Dominique Divine, Tonia Brown, Rob Sacchetto, 2015-01-26 A collection of short disgusting and mentally disturbed zombie stories for the internet age Concise bittersweet and stomach churning This collection of disgusting horrifying and psychological thriller based zombie stories is the result of a challenge One night Kyle Clements and I decided we should write a novella We came up with the idea of writing stories based on a weekly challenge Each week we would send each other a single word for better or worse Regardless the word we had to write at least 1 000 words about the topic The stories that came out of the challenge are the most terrifying depraved sincere and utterly unreadable works we could have hoped for The idea was further based on Edgar Allen Poe s recommendation that a short story should be read within a single sitting Given society s recent changes in attention span we realized 1 000 words in a single sitting would be the best most people could accomplish When I introduced the idea to my mother she was excited until she read the first story Then she said I liked your last work better When I sent the novella to our beta readers their responses were typically a mix between This is really great and I couldn t finish this story it was just too disgusting In the end I think we adequately accomplished our goal A challenging read that is both interesting and disgusting at once It is our hope that you will both enjoy this book and also hate it yet not demand a refund
