she looks a deadly secret lies inside her After the radio picks up a distress call from Kansas City about a possible cure Jeremy's parents go with a team to investigate They never return The only way to find their parents is for Jeremy and his sister Jewel to rely on a dangerous girl who might just turn on them at any moment *Survivors of Z Island* Terrence Osborne, Jr,2020-10-31 Following the aftermath of war with Jason and his men the community is still dealing with the loss of many of their people However when good news surfaces Jess and the group travels out for one more quest to finally put the zombies to rest but in this final chapter of the Z Island series lives will be lost and the group will be faced with their greatest challenge yet **Contingency** Mariah Lynde,2016-11-14 Life may not be kind but death well that is going to be a bitch My name is Angel Warren and I'm here to welcome you to the end Go to work pay bills and hide in my basement to play video games That was what I had planned for my life Reality had a way of making us all conform At least until they came Fate decided to throw us all a curve ball and in the middle of the monotony BOOM Apocalypse Nothing could have prepared us for what happened Now we're several months into the rise of the undead and it's time to start telling you my story our story It did not start suddenly We were not overrun within hours The most terrifying part is that NOTHING is the way we thought it would be Welcome to the Zompocalypse Join Angel Warren and her band of gamer friends in navigating the first days of the zombie apocalypse From frantic calls to run ins with the undead watch the story unfold from the perspective of one of the people experiencing it
