teachers students and general Bible readers **For the Potential Christian** Miranda L. Turner,2021-01-22 In a world plagued by death evil and disease there is good news If your life is darkened by depression grief or fear there is hope Hope is found in a life surrendered to Jesus Christ He comforts us in times of trouble and makes a way for us in times of need He is a friend to the friendless and a mender of broken hearts Jesus desires a love relationship with each of us That s why there s a longing in us that yearns for something we can t put our finger on That longing is for God The creation needs fellowship with its Creator and vice versa But many don t understand the basic aspects of the Christian life and some don t believe they can live up to the expectations This causes them to keep God at a distance and reject his gift of salvation But not knowing the truth has eternal consequences For the Potential Christian explains the basics of Christianity in simple easy to understand language Whether you re seeking God or you re a new believer this book will start you on the path to an eternal lifelong relationship with our Creator *There Is A Doorway...* Rick L. Johnson,2022-10-19 There Is A Doorway is a book by Rick L. Johnson on the enlightenment that he has attained from the leading and direction of God s Holy Spirit from the number one source the Bible Like most a lost soul in need of and searching to understand and to find salvation the author has chronicled here his long quest for clarity and knowledge of God from His Word to us the Holy Bible How it had eluded him and how with persistence and God s goodness leading him that he overcame the challenges and hurdles to a fuller understanding through the leadings and the teachings of our Lord and Savior Jesus Christ this is that book God's Chosen G. Grace Small,2013 God s Chosen Understanding Spiritual Warfare is a book that inspires encourages and teaches Christians to effectively manage warfare and live victoriously for Christ It offers Christians a fresh look at the basis of putting on God s full armor and learning to use the means God affords namely His strength and mighty power As Believers prepare to fight triumphantly against evil and wicked forces we come to an understanding of the challenge purpose and outcome of spiritual warfare Putting on God s armor and standing firm in Him amply equips us to fight offensively and defensively Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God Through conscious engagement in this fight we win against all odds In 2005 during prayer the Holy Spirit inspired me to write this book on spiritual warfare I was going through a precarious time and as usual I sought God in prayer and study of the Word The Holy Spirit led me to Ephesians 6 10 18 As I studied and meditated God moved me to begin writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work *Jehovah the First Godfather* Carlton Marion Morris Jr.,2001-02-21 Through ignorance misunderstanding custom and tradition the Jewish and Christian religions have combined three distinct and individual entities into one being they call God This is contrary to their holy scriptures There are in fact three and individual entities in scripture who are know by this title There is GOD the universal creator the Lord God the creator of man and then there is Jehovah the God of the Jews He is the one we are most concerned about For he was the First Godfather In

the book entitled Jehovah the First Godfather an agnostics view of God the Bible and Religion the appropriate scriptures are use to separate and explain the differences between these three entities and to explain the part they play in the creation of the universe the creation of man and the religion of one group of nomads called the Israelites For the lack of an understanding of the where when how why and by whom the universe was created we say that it is the handiwork of GOD He She or It designed created and controls this creation through laws and forces we are just now beginning to understand According to biblical scripture organic life both animal and vegetable were a part of that original design Primitive organic life began before the stars and moon were put into motion Gen 1 11 13 After the formation of the stars moons and planets more advance forms of organic life came into existence The Bible identifies a few of those the more advanced forms of life One of the species of life created as a part of that original design and may well have originated in the seas of another world was a race of beings identified by Jehovah during his instruction of Moses as the living creature It was a form of life which evolved into an intelligent creative thinking race of beings who became so advanced in their culture civilization science and technology that they began to travel the stars In their travels they stepped down upon many planets Some they tried to colonized The earth was one of those planets That colonization attempt failed In their one of their later visits a few thousand years ago they came to this planet to mine for minerals It was during this time that mankind was created We were naked slaves created to mine for the minerals they desired to wait on and serve them at their leisure Our creation was not by some heavenly or divine power out of love and benevolence but out of commercial necessity We were created by the medical and scientific process of cloning The biblical description of the creation of Eve supports such an hypothesis The description of her creation is much the same as the procedures being used by our doctors and scientists today to create duplicates and modified alternation of many different species of life among them man himself The leader and the authority by which man came into being was the individual identified by Jehovah as the Lord God and by Melchizedek king and high priest of Salem as the Most High God To be the most high god indicates that there must have been lessor beings also identified as gods One of those lessor beings was Jehovah one of the subordinates of the Lord God He is identified in scripture as YHWH Yahweh Ishi Baali and Jehovah Jehovah assumed the title of a god when he convinced Abraham to follow him He did not become a god until he lead the Hebrews into the Sinai wilderness Gods need worshipers temples priests sacrificial offerings gifts and a land to call ones own Jehovah had none of these things until he was able to have Moses lead the Hebrews into the Sinai wilderness This was his first step in establishing his dynasty Once he had the congregation under his control he had taken the first step towards his ambition he had worshipers Next he ordained the tribe of Levi as the priests who would wait on and serve him

The Crucifixion Agron Belica, 2009-09-09 In this book Agron Belica offers a fresh interpretation of the momentous events on a hillock beyond the walls of Jerusalem nearly two millennia ago the Crucifixion Belica asks disconcerting questions about the received version of gospel history and gives free rein to his inquisitive nature Many of his ideas and speculations will

strike the casual reader schooled in the ancient Biblical Traditions with which they conflict as unhistorical impossible and unbelievable Yet when questioning established premises the impossible may often be shown to be possible as Socrates was fond of doing Mr Belica does not claim to be proving anything except that with some speculation and reinterpretation of the Biblical record and relevant Quranic texts when coupled with a few remarks from Josephus the whole traditional version of the Crucifixion can be seen in a different light Belica throws new ideas and new possibilities at the reader asking only that they be considered Like a barrage of rockets shot into the moonless night sky some flaring more brightly than the others some of his speculations are more plausible than others but all are provocative and worth thinking about His is the first innovative interpretation of the Crucifixion since Dr Hugh Schonfield looked at it two generations ago Beyond that Belica has taken upon himself the task of redressing the imbalance between the gospel Jesus and the gospel John the Baptist and in our opinion has done so with justice on his side The gospel writers diminished John in order to exalt Jesus and transform him into a superhuman divine entity While their motives are understandable the researcher who seeks to explore unanswered questions and obscure competitors to the demigod they were creating is understandably frustrated and can only mourn the lost evidence This is particularly true for John the Baptist In the New Testament he is a minor figure his purpose is to introduce and validate the mission of his kinsman Jesus as the Messiah Belica asks why was John the Baptist so used by the gospelers and then dismissed to the limbo of silence together with the Essenes who though a considerable presence in the Palestine of the day are not even mentioned by them He was intrigued by that question and began to study the references to John gradually conceiving unprovable but provocative theories His work became known to a mutual friend the author of a number of valuable books and articles on various aspects of Islamica Dr Laleh Bakhtiar who also became interested in John the Baptist and through her I was introduced to him At first I was rather skeptical but was persuaded to look into the historical injustice done to John He is much better served in the Quran than he is in the Bible Having trusted her instincts over the years in such things in my own literary projects and with her continuous encouragement and suggestions I set to work The result of my own inquiry the monograph Rethinking John the Baptist is appended to the present volume Meanwhile Agron Belica continued his own research examining new evidence while elaborating and working out his theories and speculations The results of this work constitute the main portion of this volume that is dedicated to the rehabilitation of the repute and stature of that much neglected prophet John the Baptist known in the Islamic world as Yahya I was pleased to be chosen as his editor and annotator for this book

Agbajor, 2012-11-12 The book speaks to readers of true Christian hope the kind that can see the promise of life even in the face of despair It honestly states that marriage can grow to become a burden but that God's Word offers comfort and encouragement The book speaks of how the false impressions husbands and wives hold of one another become apparent as the gloss wears off of the new marriage but the message of the book as a whole is about the growth that comes after both husband and wife recognize the mutual deception Professor Agbajor lays out the main message of the book in the following words No matter the state of your marriage and emotional disposition right now as you are reading this book I want you to know that your story has not yet arrived at its closing stage There is still hope Even though your life has become an elegiac verse of sorrows and deception God's Word promises restoration May the words of God as recorded in Joel embrocate your soul like a healing salve rubbed on a wound **Coffeehouse Theology** Ed Cyzewski, 2014-02-27 Theology should breathe life and unity among God's people but today's culture creates a barrier of ignorance and misunderstanding in the study of God Author Ed Cyzewski seeks to build a method for theology that is rooted in a relationship with God and thrives on dialogue **Creatures in the Mist** Gary R. Varner, 2007 Bringing together a medley of stories myths and folklore Gary Varner shares a fascination and respect for humankind's early and contemporary cultures and wonders at similarities across the board Here he focuses on Little People and giants animals and were creatures and the odd helpful or threatening ways imputed to our earthly companions including dogs and cats bats and spiders and the stories people have told each other about them since time immemorial Gary Varner has performed a valuable service in these books Presenting lore from about the world a collector's hoard of traditions rich and strange Varner shows there really are obvious and puzzling similarities between widely separated cultures Gary Varner has pointed the way to some important cross cultural readings in the ageless themes of stone and water Jeremy Harte Curator of the Bourne Hall Museum Surrey England in Northern Earth magazine 103 2005 Menhirs Dolmen and Circles of Stone is an excellent guide to large scale magical stones and stone magic This book is a must for anyone interested in megalithic sites Most highly recommended PanGaia Magazine United States As with other books by the same author this is a book based upon broad research into the subject stretching across the world What results is a fascinating weave of stories and images descriptions of sites and associated tales that leaves a sense of a thousand deities whispering in the air Because it is so broad a sweep the positive outcome is an overreaching perspective of the patterns and commonalities held between

human communities our ancestors all around the world The book is a sound overview and provocation to research more deeply ourselves to find alternative visions tales and interpretations to find out more about the sacred currents their depths and importance both to our ancestors and to ourselves The author's notations are comprehensive allowing us easily to follow the clues A valuable piece of work The Druid Network England Gary R Varner is a lecturer and writer on folklore and early religions He is author of several popular books comparing legends and beliefs around the world including The Mythic Forest the Green Man Menhirs Dolmen and Circles of Stone The Folklore and Magic of Sacred Stone Algora 2005 and Sacred Wells A Study in the History Meaning and Mythology of Holy Wells His approach incorporates details from ancient cultures and from Native American UK and European Asian South Pacific and African folklore Varner is a member of the American Folklore Society

America Accept the Truth, Repent, and Save Our Country Dr. Derek Lawrence-Harper, 2023-04-23 God's timing is not our timing but the bible is clear that judgment will come America will be judged for its misdeeds one day It is the author's hope that people will re read the bible and encourage people to read this book to know that the author's goal is to first save souls and second save our country Ideally we need to be in a financial position to help others To resolve problems in this country we must be honest and accept the truth to move forward Most Americans including the author need all their income to pay bills and have means to enjoy themselves The true minority in America is the rich who do not live paycheck to paycheck but have either generational wealth or maximized their talents to become prosperous Hopefully anyone who became rich did not compromise their morality or abuse misuse or oppress others for their personal gain If so pray that they repent Our country is in trouble as Compromised Christianity Atheism Agnosticism and Satanic influence is on the rise while Bible Believing Christians are declining getting older and are dying off It has been

said that those who ignore history repeat history Dr Martin Luther King once stated that truth suppressed to earth shall rise again The author is here to talk about the truth that is rising in our time now I Am That, I Am God R. J. Holloway
MBA,2018-07-18 The purpose of this book is to help the reader find that power that they possess within and to look within for that message from God This book will open your eyes to the true and living I am which is you With some verses I used from the Bible you will read and study scriptures differently My purpose is for you to see yourself in the words To see yourself as the Christ and to know when you begin to do this your life will change Learning to overcome fear and doubt understand that there is only one power that is good and fear is only an illusion
