Zimsec June 2geography A Level Paper

Jonathan Rigg

Zimsec June 2geography A Level Paper:

Geographical Education Magazine ,1996 **Resources in Education** ,1992-05 *A Preliminary Survey of Environmental Awareness in Some Secondary School Pupils in Zimbabwe* J. M. Manjengwa,1997 *Africa's Geography* Benjamin Ofori-Amoah,2019-04-30 Africa s Geography presents a comprehensive exploration of the world s second largest and most culturally diverse continent Author Benjamin Ofori Amoah challenges common misconceptions and misrepresentations of Africa from a geographical perspective harnessing the power of modern geographic mapping technology to explore this unique continent This text provides thorough coverage of the historical cultural economic and political forces that continue to shape Africa applying geographic context to relevant past and contemporary issues Coverage of economic development climate and biogeography transportation and communication manufacturing and commerce and mining and agriculture provides foundational knowledge of this vast and complex continent Ideally suited for multiple areas of classroom study this text offers an effective and flexible pedagogical framework Coverage of the entirety of Africa enables students to develop a cohesive portrait of the continent as a whole and identify the dynamism of its nations cultures and economies Engaging and accessible narrative strengthens comprehension while examples of historical and contemporary events increase student interest Innovative and unique Africa s Geography is an essential resource for cross disciplinary investigation of this fascinating part of the world The Geography of Border Landscapes Dennis Rumley,Julian V. Minghi,2014-10-03 This volume is about border landscapes with emphasis on the varying impact that political decision making and ideological differences can have on the environment at border locations for example This volume by political geography experts from across the globe provides important insights specficially into border landscapes and so serves to further our understanding of aspects of cultural landscapes *Joint Acquisitions List of Africana* ,1989 **Communities and Conservation** Peter J. Brosius,Anna Lowenhaupt Tsing,Charles Zerner,2005-07-21 The distinguished environmentalists in this collection offer an in depth analysis and call to advocacy for community based natural resource management CBNRM Their overview of this transnational movement reveals important links between environmental management and social justice agendas for sustainable use of resources by local communities In this volume leaders who have been instrumental in creating and shaping CBNRM describe their model programs the countermapping movement and collective claims to land and resources legal strategies for gaining rights to resources and territories biodiversity conservation and land stabilization priorities and environmental justice and minority rights This book will be of value to instructors practitioners and activists in anthropology cultural geography environmental justice environmental policy political ecology indigenous rights conservation biology and CBNRM Communities and Conservation J Peter Brosius,Anna Lowenhaupt Tsing,Charles Zerner,2005-07-14 A group of distinguished environmentalists analyze and advocate for community based natural resource management CBNRM They offer an overview of this transnational movement and its links between environmental management and social

justice agendas This book will be valuable to instructors practitioners and activists in environmental anthropology justice and policy in cultural geography political ecology indigenous rights conservation biology and community based cultural resource management Transforming Southern African Agriculture Ann Willcox Seidman,1992 **Sustainable Tourism in**

Southern Africa Jarkko Saarinen,Fritz O. Becker,Haretsebe Manwa,Deon Wilson,2009-06-23 Tourism has become a major economic agent and an important social and cultural element in contemporary southern Africa As such tourism has a wide range of impacts on environment economy cultures and the everyday life of people These processes have highlighted the role of sustainability in tourism development This book represents an accessible examination of the connections between tourism and sustainability in southern Africa It introduces connections between tourism sustainability and development with a range of case studies and examples from the region While the book and the individual chapters are emphasising the key role of tourism in the transition processes of local communities and environments the social cultural economic and political contexts of tourism and communities are also highlighted *Rural Transformations* Holly Barcus,Roy Jones,Serge

Schmitz,2022-03-30 This book focuses on the transformation of rural places peoples and land endemic to the contemporary manifestations of globalization Migration global economic restructuring and climate change are rapidly transforming rural places across the globe Yet global attention characteristically focuses on urban social and economic issues neglecting the continued roles of rural people and places Organized around the three core themes of demographic change rural urban partnerships and innovations and landscape change the case studies included in this volume represent both the Global North and Global South and underscore the complexity and multi scalar nature of these contemporary challenges in rural development planning and sustainability This book would be valuable supplementary reading for both students and professionals in the fields of rural land management and rural planning Nature Sir Norman Lockyer,1892

Disposable Cities Garth Andrew Myers,2017-03-02 Based on in depth fieldwork in three cities Dar es Salaam Zanzibar and Lusaka this book provides a critical analysis of the United Nations Sustainable Cities Program in Africa SCP Focusing on the SCP s policies for solid waste management which was identified as the top priority problem by the SCP the book examines the success of these pilot schemes and the SCP s record in building new relationships between people and government It argues that the SCP has operated in a political vacuum without recognition of the long and problematic histories and cultural politics of urban environmental governance in Eastern and Southern Africa This book brings these cultural and political histories to the fore in its examination of the contemporary dynamics In doing so it not only provides an insightful analysis of the policies and outcomes for the SCP but also puts forward a historically grounded critique of neoliberalism good governance and sustainable development discourses The Regional Impacts of Climate Change Intergovernmental Panel on Climate Change. Working Group II.,1998 Cambridge UK Cambridge University Press 1998

Post-Independence Development in Africa David Mhlanga,Emmanuel Ndhlovu,2023-07-11 The book Post

Independence Development in Africa Decolonisation and Transformation Prospects revisits the development debates and development realities in Africa This is achieved by offering theoretical comments about post independence development in Africa and by providing historical details pertaining to the development approaches adopted in Africa immediately after independence in the 1960s and mid 70s Sitting at the intersection of two sets of scholarly literature namely literature on development and literature on development discourses and practices in Africa the book comprises a mixture of detailed sector specific accounts of the status of development on the continent The chapters in the book also contribute to clarifying how the two strands of literature intersect using several case studies across Africa Official Year-book of the Scientific and Learned Societies of Great Britain and Ireland ,1905 **UNRISD News** ,1997 UNRISD Social Development News ,1997

Living with Transition in Laos Jonathan Rigg,2012-10-12 Laos the Lao People s Democratic Republic is one of the least understood and studied countries of Asia Its development trajectory is also one of the most interesting as it moves from state or perhaps more appropriately subsistence to market Based on extensive original research this book assesses how economic transition and marketisation are being translated into progress or not at the local level and at the resulting impact on poverty inequality and livelihoods It concludes that the process of transition in fact contributes to the growth of poverty for some people and shows how people manage to cope in very unfavourable circumstances International Programs of the California State University California State University. Office of International Programs,2000
