Contemplation and Counseling P. Gregg Blanton, 2019-04-02 Can contemplative prayer be integrated into therapeutic work Building an alliance between science theology and Christian contemplative thought Gregg Blanton presents a new paradigm for integrating contemplative prayer with counseling practice This practical resource offers eleven fundamental interventions to fit the needs of clients and a practical four stage process for helping clients change Agitation with a Smile Stephen Bird, Adam Silver, Joshua C. Yesnowitz, 2015-11-17 Agitation with a Smile offers a reappraisal of Howard Zinn's political thought and situates his efforts in a contemporary context looking toward the nature of activism and dissent in the future This is the first book to provide a substantive account and assessment of Zinn's philosophy and approach to collective action and to a larger extent democracy The contributors to this book explore the most effective mechanisms by which to arouse public support for seemingly radical positions and how current technological advancements may alter our perception of Zinn's activism The book is a valuable guide to a new generation of activists and scholars of politics in gauging the lasting relevance and legacy of Zinn's ideals concepts and methodology The text is neither fawning nor unduly critical unlike many discussions of Zinn in popular culture Rather the contributors engage the various complexities and tensions present throughout Zinn's work and subject them to contemporary assessment This is a multidisciplinary and international approach to Howard Zinn's intellectual and activist canon **McGraw-Hill's SAT Subject Test Biology E/M, 3rd Edition**

interested in learning more about mindfulness **Children in the Online World** Elisabeth Staksrud, 2016-05-23 What is online risk How can we best protect children from it Who should be responsible for this protection Is all protection good Can Internet users trust the industry These and other fundamental questions are discussed in this book Beginning with the premise that the political and democratic processes in a society are affected by the way in which that society defines and perceives risks Children in the Online World offers insights into the contemporary regulation of online risk for children including teens examining the questions of whether such regulation is legitimate and whether it does in fact result in the sacrifice of certain fundamental human rights The book draws on representative studies with European children concerning their actual online risk experiences as well as an extensive review of regulatory rationales in the European Union to contend that the institutions of the western European welfare states charged with protecting children have changed fundamentally at the cost of the level of security that they provide In consequence children at once have more rights with regard to their personal decision making as digital consumers yet fewer democratic rights to participation and protection as digital citizens A theoretically informed yet empirically grounded study of the relationship between core democratic values and the duty to protect young people in the media sphere Children in the Online World will appeal to scholars and students across the social sciences with interests in new technologies risk and the sociology of childhood and youth Book The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **Constructive Resistance** Majken Jul Sørensen, Stellan Vinthagen, Jørgen Johansen, 2023-09-12 Constructive resistance occurs when people start to build the society they desire independently of and in opposition to the dominant structures already in place Through case studies and illustrative examples from around the world this book explores how people working for a more just sustainable and peaceful future combine construction and resistance The book provides students and practitioners of resistance with tools to detect critically discuss and evaluate cases of constructive resistance While some movements focus mainly on either construction or resistance the authors argue that those who manage to creatively combine the two are likely to achieve more far reaching goals and see their results become more durable **Science in an Age of Unreason** John Staddon, 2022-06-07 Science is undergoing an identity crisis A renowned psychologist and biologist diagnoses our age of wishful magical thinking and blasts out a clarion call for a return to reason and the search for objective knowledge and truth Fans of Matt Ridley and Nicholas Wade will adore this trenchant meditation and call to action Science is in trouble Real questions in desperate need of answers especially those surrounding ethnicity gender climate change and almost anything related to health and safety are swiftly buckling to the fiery societal demands of what ought to be rather than what is These foregone conclusions may be comforting but each capitulation to modernity's whims threatens the integrity of scientific inquiry Can true fact based discovery be redeemed In Science in an Age of Unreason legendary professor of psychology and biology John Staddon unveils

the identity crisis afflicting today's scientific community and provides an actionable path to recovery With intellectual depth and literary flair Staddon answers pressing questions including Is science especially the science of evolution a religion Can ethics be derived from science at all How sound is social science particularly surrounding today's most controversial topics How can passions be separated from facts Informed by decades of expertise Science in an Age of Unreason is a clarion call to rebirth academia as a beacon of reason and truth in a society demanding its unconditional submission

Elephant management Robert (Bob) Scholes, Kathleen G Mennell, 2008-03-01 Elephants are among the most magnificent but also most problematic members of South Africa's wildlife population While they are sought after by South African and foreign tourists alike they also have a major impact on their environment As a result elephant management has become a highly complex and often controversial discipline The information needed to underpin vital decisions about elephant management has largely been unavailable to decision makers contested by experts or simply unknown As a result the South African Minister for Environmental Affairs and Tourism convened a round table to advise him on this issue The round table recommended that a scientific assessment of elephant management be undertaken to gather evaluate and present all the relevant information on this topic Its main findings and recommendations are contained in this volume Elephant Management is the first book of its kind combining the work of more than 60 national and international experts Extensively reviewed by policy makers and other stakeholders it is the most systematic and comprehensive review of savanna elephant populations and factors relevant to managing them to date As such it is of interest to a broad spectrum of readers in South Africa and elsewhere Above all it is aimed at helping conservation policy makers and practitioners to choose the best possible options for the sustainable preservation of these iconic animals
