Undermanned and with scant resources, Michael Talbot's squad of misfits is ordered to retrieve classified data of the utmost imperative. In a concealed laboratory buried deep underground, the squad discovers a monstrous super race that will either be humanity's greatest weapon or deliver a blood-soaked end to their existence. The mission becomes perilous and terrifying; all may not survive. Above ground, zombies have made startling progress, and the team faces a powerful necromancer who controls an army of the dead. There is a magic here, though, that Michael never dared hope for. Meanwhile, aboard the floating city the USS Jimmy Carter, a malcontented faction is hatching plans of violence and insurrection. Even within Talbot's own squad, there are mutinous whispers. How many lines will be crossed? What is the price of loyalty and honor? Is it the cost of survival? Join Michael Talbot, BT, and their daredevil team on a gripping adventure to restore the world to the living. *Zombie Fallout 16: Hiraeth* Mark Tufo, 2021-06-29 Hiraeth. He now wonders if he can continue to sacrifice his own for the sake of others. Terrifying new monsters are born amid the chaos; do our heroes have the will and the firepower to overcome these latest threats? Friends and foes alike will fall, and there may be no human victor. Follow along in this heart-slamming non-stop thriller, Michael Talbot's final journal, the conclusion of the epic adventure series *Zombie Fallout*. **Zombie Fallout 3: The End.....** Mark Tufo, 2011-03-11 *Zombie Fallout 3: The End* Continues Michael Talbot's quest to be rid of the evil named Eliza that hunts him and his family across the country. As the world spirals even further down into the abyss of apocalypse, one man struggles to keep those around him safe.
