Zulu Paper Memorandum 23

Zulu Paper Memorandum 23:

Zulu! The Battle for Rorke's Drift 1879 Edmund Yorke, 2005-07-01 Fought on the night of 22-23 January 1879 and immortalised in the film epic *Zulu* Rorke's Drift represented one of the most glorious if subsequently controversial episodes in British military history. For twelve desperate hours outnumbered by over 25:1 barely 140 British soldiers based at the remote mission station of Rorke's Drift, South Africa, were locked in a ferocious life or death struggle with over 4000 seasoned warriors of the hitherto victorious Zulu Army, the most powerful indigenous African army. Only hours earlier, in the shadow of the ominous Sphinx-like Isandlwana Crag, other elements of this same Zulu force had virtually annihilated a 1700-strong British colonial force, one of the greatest defeats of Queen Victoria's reign. In the wake of this massacre, the survival of the British Empire in South Africa rested with the tiny garrison of Rorke's Drift. *British Documents on Foreign Affairs--reports and Papers from the Foreign Office Confidential Print*, 1995 Accounts and Papers of the House of Commons Great Britain. Parliament. House of Commons, 1879 **The View Across the River** Jeff Guy, 2002 This is a paperback edition of a 2001 book combining biography and larger historical narrative. Guy's history of Natal, South Africa, studies the life of the daughter of the Bishop of Natal, Harriette Colenso, as a window into the continuing process of imperialism and colonialism after the destruction of the Zulu Kingdom's political hierarchy. After the military defeat of the Zulus, the invaders turned their attention to diverting Zululand's productive capacity and material wealth to the benefit of the colonizers, but a number of women and men, including Colenso, resisted this exploitation. Guy argues that an examination of her interaction with the Zulus should be viewed as a contribution to understanding the complicated role of women in the world of late 19th-century imperialism. Annotation copyrighted by Book News, Inc., Portland, OR *Anglo-Zulu War, 1879* Harold E. Raugh Jr., 2011-06-01 The Anglo-Zulu War was one of many colonial campaigns in which the British Army served as the instrument of British imperialism. The conflict fought against a native adversary, the British initially underestimated, is remarkable for battles that included perhaps the most humiliating defeat in British military history, the Battle of Isandlwana, January 22, 1879, and one of its most heroic feats of martial arms, the defense of Rorke's Drift, January 22-23, 1879. While lasting only six months, it is one of the most examined, studied, and debated conflicts in Victorian military history. *Anglo-Zulu War 1879: A Selected Bibliography* is a research guide and tool for identifying obscure publications and source materials in order to encourage continued original and thought-provoking contributions to this popular field of historical study. From the student or neophyte to the study of the Anglo-Zulu War, its battles, and its opponents to the more experienced historian or scholar, this selected bibliography is a must for anyone interested in the 1879 Anglo-Zulu War. *Parliamentary Papers* Great Britain. Parliament. House of Commons, 1884 *Sessional Papers* Great Britain. Parliament. House of Commons, 1908 Gladstone and Kruger Deryck Schreuder, 2018-01-17 Originally published in 1969, Gladstone and Kruger examines British reactions to the Afrikaner nationalism. Beginning with the first Anglo-Boer war of 1880-81, it examines the formulation of policy after the British defeat.

at Majuba Hill. At that moment the dangers of a pan Afrikaner revolt in the Transvaal, Orange Free State and Cape Province seemed imminent and the British presence in southern Africa seemed very much at risk. Schreuder shows how the devolution of metropolitan Imperial power on to local ministries conflicted with the Whig concern for the preservation of British dominance and prestige abroad and provides a commentary on the Liberal response to the Irish problem. *Collected Seminar Papers on the Societies of Southern Africa in the 19th and 20th Centuries* University of London. Institute of Commonwealth Studies, 1980. **Routledge Library Editions: Gladstone & Disraeli** Various Authors, 2021-03-18. The volumes in this set originally published between 1966 and 1983 draw together research by leading academics on William Gladstone and Benjamin Disraeli and provide a rigorous examination of related key issues. The volumes examine the historical political and philosophical whilst also exploring their work with other political figures such as Paul Kruger. This set will be of interest to students of history and politics respectively. *Collected Seminar Papers*, 1979. **Kingdom in Crisis** John Laband, 1992. *List of Confidential Prints* Great Britain. Public Record Office, 1965. **Rope of Sand** John Laband, 1995. The Kingdom forged by Shaka was once one of the most powerful and sophisticated black states in Africa. It took the British at the height of their imperial power six months and a full military campaign to bring the kingdom down. Thereafter Zululand was broken up, consigned to bitter civil war and eventually annexed piecemeal its land given over to white farmers in a saga of humiliation and loss. This book gives an account of the dramatic emergence and tragic decline of the Zulu kingdom in the 19th century based on research fieldwork. It ranges from themes such as Zulu social and political organization through analysis of the vivid personalities and complex political manoeuvres of leading Zulu and their colonial opponents to descriptions of military campaigns and battles. *Home Front: South Africa and the Second World War* Evert Kleynhans, Anri Delport, 2024-11-15. *Home Front: South Africa and the Second World War* offers a fresh academic perspective through the voices of both new and established scholars leveraging recently uncovered archival material to illuminate the experiences of South Africans at home between 1939 and 1945. This latest addition to South Africa's wartime historiography is thoughtfully divided into two broad sections dealing with active participation in and resistance against the Allied war effort. The book highlights the vigorous mobilisation and recruitment campaigns that saw thousands enlist and the pivotal roles women assumed in industry and civil service. It explores how the war effort permeated every facet of society challenging traditional gender roles and societal norms. It delves into the dynamic shifts within South African society from politics and community mobilisation to the contributions of collegiate schools and the impact on sports. It uncovers the undercurrents of dissent that existed alongside visible support. It brings to light the political activism within the African National Congress, the covert operations of Nazi sympathisers and the simmering tensions among Afrikaner nationalists. In doing so the chapters collectively unravel the complexity of South African society where loyalty and opposition coexisted often influenced by propaganda, espionage and socio-political manoeuvring. **Accounts and Papers** Great Britain. Lords,1852 **Papers** ,1928 **A Prophet of the People** Lauren V. Jarvis,2024-03-01 In 1910 Isaiah Shembe was struggling He had left his family and quit his job as a sanitation worker to become a Baptist evangelist but he ended his first mission without much to show Little did he know that he would soon establish the Nazareth Church as he began to attract attention from people left behind by industrial capitalism in South Africa By his death in 1935 Shembe was an internationally known prophet and healer described by his peers as better off than all the Black people In *A Prophet of the People* Isaiah Shembe and the Making of a South African Church historian Lauren V Jarvis provides a fascinating and intimate portrait of one of South Africa s most famous religious figures and in turn the making of modern South Africa Following Shembe from his birth in the 1860s across many environments and contexts Jarvis illuminates the tight links between the spread of Christianity strategies of evasion and the capacious forms of community that continue to shape South Africa today Report and Publications List University of Natal.
