Soul Lessons And Soul Purpose Guide:

Soul Lessons and Soul Purpose Sonia Choquette, 2010-09 Soul Lessons and Soul Purpose is a book channeled by Sonia Choquette's spirit teacher guides The Three Bishops as well as Joachim and the Emissaries of the Third Ray. These highly evolved and loving guides work specifically to bring about understanding, direction, and support to all souls so that we may learn to become the creative masters of the life that we're intended to have on Earth. The guides state that Earth is soul school and that we're here to master 22 basic soul lessons in order to fulfill our purpose. Each lesson is laid out in such a way that anyone on any level will be ready to follow the instructions. The guides make it very clear in this book that the timing to learn our soul lessons, open our hearts, and raise our vibration on the Earth plane is now. Negative occurrences will worsen if our energy doesn't shift and elevate to a more loving plane. We have no time to waste.

Ask Your Guides Sonia Choquette, 2021-01-05 We're all spiritual beings with a spiritual support system on the Other Side that oversees and helps guide our lives from the moment we're born to the moment we leave our physical bodies and return to Spirit. Not knowing this fact is a severe handicap as the Universe is designed to care for and nurture all its creatures and help make our life's journey easier and more successful. When we learn how to connect with our angelic guides, our lives naturally fall into a pattern of ease and flow during which we grow our souls, fulfill our life's purpose, and make our time on Earth endlessly entertaining. This fascinating and inspirational book by Sonia Choquette provides all the information you need to help you connect with your spirit guides so that you can enjoy all the love, abundance, and joy you're entitled to.

Traveling at the Speed of Love Sonia Choquette, 2011-03-01 New York Times bestselling author A paradigm shifting guide to moving through fear and embracing what matters most in life: love. When we travel at the speed of love, we choose to live in a frequency of unconditional love. Today most of us travel at the frequency of fear and live with a victim consciousness. When we're traveling at the fear frequency, no matter how fast we go, we can never get to our destination. The victim consciousness is based on the premise I have no choice. Traveling at the speed of love means taking our power back. We're actually in a different universe when we travel at the speed of love. Our world is not a menacing, threatening race geared to cheat death. It becomes at any moment so satisfying that if this were our last moment on Earth, that would be okay. This is not to say that change is easy. To travel at the speed of love might require a complete paradigm shift in the way you look at your everyday existence. In this fascinating book, Sonia Choquette provides a practical, in-the-trenches guide that will reveal how you can reprogram your brain and change your life for the better. Ask yourself this question: What frequency are you traveling on right now?
