

# South African Army Selection For 2015

**Scott C. Dulebohn**

## **South African Army Selection For 2015:**

**Military Psychology for Africa** Gideon AJ van Dyk, 2016-03-17 Military Psychology for Africa is the first textbook of its kind from Africa. Selected authors with competent military psychology knowledge, skills, expertise, and experience each contributed a chapter to this unique book. The book empowers academics, students, and military fellows to apply this knowledge at academic institutions and military units during operations and in presenting short courses. The book will also equip soldiers with new knowledge for advancing peace on the continent and abroad.

**Contemporary Issues in South African Military Psychology** Nicole Dodd, Petrus C. Bester, Justin van der Merwe, 2020-05-13 Contemporary Issues in South African Military Psychology is a well-timed, extremely thought-provoking imperative particular to the African context and deals with a highly contemporary issue within the people management and the management studies fields, specifically in the military field and context. This is specifically of importance as military psychology is a behavioural science that combines theory and practical application. Prof Karel Stanz, University of Pretoria.

**Private Military and Security Contractors** Gary Schaub, Jr., Ryan Keltz, 2016-06-16 In Private Military and Security Contractors, PMSCs, a multinational team of scholars and experts address a developing phenomenon: controlling the use of privatized force by states in international politics. Robust analyses of the evolving multi-layered tapestry of formal and informal mechanisms of control address the microfoundations of the market, such as the social and role identities of contract employees, their acceptance by military personnel, and potential tensions between them. The extent and willingness of key states—South Africa, the United States, Canada, the United Kingdom, and Israel—to monitor and enforce discipline to structure their contractual relations with PMSCs on land and at sea is examined, as is the ability of the industry to regulate itself. Also discussed is the nascent international legal regime to reinforce state and industry efforts to encourage effective practices, punish inappropriate behavior, and shape the market to minimize the hazards of loosening states' oligopolistic control over the means of legitimate organized violence. The volume presents a theoretically informed synthesis of micro and macro levels of analysis, offering new insights into the challenges of controlling the agents of organized violence used by states for scholars and practitioners alike.

**Creating a South African Sub-Regional Conflict Transformation Model** Noluthando Phungula, 2024-01-11 This book contributes to the current academic debate and scholarly research on conflict transformation in the Southern African Development Community (SADC) sub-region. It will serve as a guide on how conflict recurrences can best be tackled in the sub-region and seeks to improve the transformation process of conflict and peace building in the Kingdom in the Sky and in the sub-region at large. The book will shed light on the road ahead for the SADC and its role in transforming conflict into positive peace and peace building and will contribute to discussions on the necessity of a conflict transformation model as a key tool in efforts to transform the state of recurring intrastate conflict in Lesotho. Thus, this book will also enhance the literature and discourse on sub-regional organisations and their path towards conflict transformation on the African continent.

South Africa's

Post-Apartheid Military Lindy Heineken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994. In South Africa's changed political state, how has civilian control of the military been implemented and what does this mean for defence in a democracy? This book presents an overview of the security environment, how the mission focus of the military has changed and the implications for force procurement, force preparation, force employment and force sustainability. The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force, the effect of affirmative action on meritocracy, recruitment and retention, military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment, gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged. HIV/AIDS and the consequences this holds for the military in terms of its operational effectiveness. In closing, the author highlights key events that have caused the SANDF to become lost in transition and transformation, spelling out some lessons learned. The conclusions she draws are pertinent for the future of defence security and civil-military relations of countries around the world. *A Far-Away War* Ian Liebenberg, 2016-01-31 South Africa's armed forces invaded Angola in 1975, setting off a war that had consequences for the whole region that are still felt today. *A Far-Away War* contributes to a wider understanding of this war in Angola and Namibia. The book does not only look at the war from an old South African Defence Force perspective but also gives a voice to participants on the other side, emphasising the role of the Cubans and Russians. This focus is supplemented by the inclusion of many never before published photographs from Cuban and Russian archives and a comprehensive bibliography.

General Jan Smuts and his First World War in Africa, 1914-1917 David Brock Katz, 2022-05-19 A new assessment of Jan Smuts's military leadership through examination of his World War I campaigning, demonstrating that he was a gifted general conversant with the craft of maneuver warfare and a command style steeped in the experiences of his time as a Boer general. World War I ushered in a renewed scramble for Africa. At its helm, Jan Smuts grabbed the opportunity to realize his ambition of a Greater South Africa. He set his sights upon the vast German colonies of South West Africa and East Africa, the demise of which would end the Kaiser's grandiose schemes for *Mittelafrika*. As part of his strategy to shift South Africa's borders inexorably northward, Smuts even cast an eye toward Portuguese and Belgian African possessions. Smuts, his abilities as a general much denigrated by both his contemporary and then later modern historians, was no armchair soldier. This cabinet minister and statesman donned a uniform and led his men into battle. He learned his soldiery craft under General Koos De la Rey's tutelage and another soldier-statesman, General Louis Botha, during the South African War, 1899-1902. He emerged from that war immersed in the Boer maneuver doctrine he devastatingly waged in the guerrilla phase of that conflict. His daring and epic invasion of the Cape at the head of his commando remains legendary. The first phase of the German South West African campaign and the Afrikaner Rebellion in 1914 placed his abilities as a sound strategic thinker and a bold operational

planner on display Champing at the bit he finally had the opportunity to command the Southern Forces in the second phase of the German South West African campaign Placed in command of the Allied forces in East Africa in 1916 he led a mixed bag of South Africans and Imperial troops against the legendary Paul von Lettow Vorbeck and his Schutztruppe Using his penchant for Boer maneuver warfare together with mounted infantry led and manned by Boer Republican veterans he proceeded to free the vast German territory from Lettow Vorbeck s grip Often leading from the front his operational concepts were an enigma to the British under his command remaining so to modern day historians Although unable to bring the elusive and wily Lettow Vorbeck to a final decisive battle Smuts conquered most of the territory by the end of his tenure in February 1917 General Jan Smuts and His First World War in Africa makes use of multiple archival sources and the official accounts of all the participants to provide a long overdue reassessment of Smuts s generalship and his role in furthering the strategic aims of South Africa and the British Empire in Africa during World War I *General Jan Smuts And his First World War in Africa (1914-19-17)* David Brock Katz,2022-08-24 An engaging well written and meticulously researched military biography Tim Stapleton Professor Department of History University of Calgary Jan Smuts grabbed the opportunity to realise his ambition of a Greater South Africa when the First World War ushered in a final scramble for Africa He set his sights firmly northward upon the German colonies of South West Africa and East Africa Smuts s abilities as a general have been much denigrated by his contemporaries and later historians but he was no armchair soldier He first learned his soldier s craft under General Koos de la Rey and General Louis Botha during the South African War 1899 1902 He emerged from that conflict immersed in Boer manoeuvre doctrine After forming the Union Defence Force in 1912 Smuts played an integral part in the German South West African campaign in 1915 Placed in command of the Allied forces in East Africa in 1916 he led a mixed bag of South Africans and imperial troops against the legendary Paul von Lettow Vorbeck and his Schutztruppen His penchant for manoeuvre warfare and mounted infantry freed most of the vast German territory from Lettow Vorbeck s grip General Jan Smuts and his First World War in Africa provides a long overdue reassessment of Smuts s generalship and his role in furthering the strategic aims of South Africa and the British Empire during this era Military Veteran Employment Nathan D. Ainspan,Kristin N. Saboe,2021-05-25 Drawing on the principles and research from industrial organizational I O psychology and best practices from human resources HR management this book will help civilian employers improve the way that they locate hire and retain military veterans and military spouses **Alamein** Simon Ball,2016-08-17 El Alamein was one of the pivotal battles of the Second World War fought by armies and air forces on the cutting edge of military technology Yet Alamein has always had a patchy reputation with many commentators willing to knock its importance This book explains just why El Alamein is such a controversial battle Based on an intensive reading of the contemporary sources in particular the extensive and recently declassified British bugging of Axis prisoners of war military historian Simon Ball turns Alamein on its head explaining it as a cultural defeat for Britain Alamein is a military history of the battle showing how different it

looks stripped of later cultural excrescences But it also shows how Alamein culture saturated the post war world when archival sources mingled with film novels magazines popular histories and the rest of Alamein s footprint Whether you are interested in the battle itself or its cultural afterlife if you have an opinion about Alamein you ll question it after reading this book

**South Africa's 1940s** Saul Dubow, Alan Jeeves, 2005 The 1940s was a turbulent period in the history of South Africa It opened with parliament s bitterly contested decision to enter the war was rocked by political turmoil and ended with a bang as well as a whimper as the National party captured political power in 1948

**African Standby Force** Francois VreA, 2017-10-28 Standby forces of the African Union are expected to deploy rapidly into high intensity conflict zones Inherently they stem from and are expected to work effectively with regional militaries of differing capabilities But first the AU has to muster the political will to deploy the force at all and do it all on a shoestring budget VreA and Mandrup s edited volume illuminates through the chapter contributions the breadth of challenging political hurdles that the African Union s African Standby Force faces They do this in clear and readable terms This important book is imperative for anyone seeking to understand the rapid deployment forces on which African states have optimistically pinned the future of their collective security aspirations

**Understanding Inequality: Social Costs and Benefits** Amanda Machin, Nico Stehr, 2016-04-14 The contributions in this book highlight contextualize and analyze different aspects of social inequality What are the various cause and effects of inequality How have these changed over recent decades Which social policies might be best able to intervene Written by authors from a variety of disciplines and geographical regions these contributions provide a rich account of inequality within contemporary society The role of the state the media and the market in exacerbating and alleviating patterns of equality are all accessed alongside analysis of changing patterns of exclusion and hierarchy

**General Labour History of Africa** Stefano Bellucci, Andreas Eckert, 2019 The first comprehensive and authoritative history of work and labour in Africa a key text for all working on African Studies and Labour History worldwide

**Fees Must Fall** Susan Booysen, 2016-10-01 This book explores the student discontent a year after the start of the 2015 South African FeesMustFall revolt FeesMustFall the student revolt that began in October 2015 was an uprising against lack of access to and financial exclusion from higher education in South Africa More broadly it radically questioned the socio political dispensation resulting from the 1994 social pact between big business the ruling elite and the liberation movement The 2015 revolt links to national and international youth struggles of the recent past and is informed by black consciousness politics and social movements of the international left Yet its objectives are more complex than those of earlier struggles The student movement has challenged the hierarchical top down leadership system of university management and it s double speak of professing to act in workers and students interests yet entrenching a regressive system for control and governance University managements while on one level amenable to change have also co opted students into their ranks to create co responsibility for the highly bureaucratised university financial aid that stands in the way of their social revolution This book

maps the contours of student discontent a year after the start of the FeesMustFall revolt Student voices dissect colonialism improper compromises by the founders of democratic South Africa feminism worker rights and meaningful education In depth assessments by prominent scholars reflect on the complexities of student activism its impact on national and university governance and offer provocative analyses of the power of the revolt      **Canada's Army** J.L. Granatstein,2021-09-13 In this revised and updated third edition one of Canada s leading historians covers the history of the Canadian military to the present day      **Satiric TV in the Americas** Paul Alonso,2018 Satiric TV in the Americas is the first book to focus on Latin American TV satire in order to understand their critical role in challenging the status quo traditional journalism and the prevalent local media culture It introduces the notion of critical metatainment as negotiated dissent a key concept for the study of postmodern satire      **Pornography and Genocide** Thomas Trzyna,2019-06-14 One out of every thirty five women born is killed for cultural or sexual reasons In the twentieth century more women were killed for those reasons than all the people who died in wars Women everywhere live in the higher stages of Gregory Stanton s eight stage genocide scale Pornography contributes to the peril whether in the form of battlefield rape films the rape chants of frat boys or the massive distribution of violent images on the web and through other media The United Nations definition of genocide must be changed to recognize women as a targeted group Pornography and Genocide pulls together the evidence from legal scholars and a myriad of contemporary studies and news accounts from around the world It is time to face the war against women

*The Governance of Private Security* Marco Boggero,2018-02-15 This book offers new insights and original empirical research on private military and security companies PMSCs including China s negotiation approach to governance an account of Nigeria s first engagement with regulatory cooperation under the threat of Boko Haram and a study of PMSCs in Ebola hit Western Africa The author engages with concepts and theories from IR Political Economy and African studies like regime forum shopping and extraversion to describe what shapes state choices in national and international fora The volume clarifies and spells out the needed questions and definitions and proposes a synthesis of how regime formation is shaped by ideas interests and institutions starting from the proposition that regulatory cooperation consists in facilitating the acceptance and use of a single identifier for private military and security companies      *"Beggars on our own land ..."* Willem Odendaal,2024-03-27 In 1954 the Haillom people were evicted from Etosha by the South African controlled South West African Administration In 2015 the Haillom filed the case of Tsumib v Government of the Republic of Namibia in the High Court of Namibia Beggars on our own land unravels the historical and contemporary socio legal complexities that led to the Tsumib case At the core of the case lies the legal question how can the Haillom people approach the Namibian Courts in order to claim compensation for the loss of their ancestral lands Odendaal goes into detail how the Tsumib case materialised under the post inde pendence Namibian constitutional discourse He assesses the Namibian land re form programme and its oversight in dealing with historical land dispossessions He inspects Haillom identity and how it was used to strengthen their

case He concludes with an examination of Namibia's outdated and restrictive legal framework which ultimately denied the Haillom people their constitutional right to be heard in the Namibian Court While the future of ancestral land claims in Namibia depends on the political will of the Namibian government Odendaal argues that the Namibian courts have a duty to comply with the rights giving nature of the Namibian Constitution that lays the foundation for the Haillom people's ancestral claims

## **South African Army Selection For 2015 Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free South African Army Selection For 2015 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free South African Army Selection For 2015 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of South African Army Selection For 2015 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About South African Army Selection For 2015 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. South African Army Selection For 2015 is one of the best book in our library for free trial. We provide copy of South African Army Selection For 2015 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with South African Army Selection For 2015. Where to download South African Army Selection For 2015 online for free? Are you looking for South African Army Selection For 2015 PDF? This is definitely going to save you time and cash in something you should think about.
