The Eisenhower Years Michael S. Mayer, 2009 The 34th U S president to hold office Dwight D Eisenhower won America over with his irresistible I like Ike slogan Bringing to the presidency his prestige as a commanding general during World War II he worked incessantly during his two terms to ease the tensions of the cold war Pursuing the moderate policies of Modern Republicanism he left a legacy of a stronger and more powerful nation From his crucial role in support of Brown v Board of Education to the National Defense Education Act *The Eisenhower Years* provides a well balanced study of these politically charged years Biographical entries on key figures of the Eisenhower era such as Allen W Dulles Joseph R McCarthy and Rosa Parks combine with speeches such as the Military Industrial Complex speech the Open Skies proposal the disturbance at Little Rock address Eisenhower Doctrine and his speech after the Soviet launch of Sputnik to give an in depth look at the executive actions of this administration

Look Homeward David Herbert Donald, 2002 A portrait of an American novelist examining the forces of his life that were intertwined with his writing and the academic and literary worlds of which he was a part

The Wedding of Sophia Jeffrey Raff, 2003-11-01 Author of the acclaimed *Jung and the Alchemical Imagination* Jeffrey Raff continues his teachings in psychoid alchemy with an in depth look at the feminine aspect of the divine Sophia is in the esoteric teachings the embodiment of Wisdom the matrix from which

God arose and God's heavenly consort and mirror But as Raff explains she suffered a fall from this exalted state corresponding to the obscuration of the feminine archetype in the patriarchal world Without Sophia God is not whole It is our task to work with imagination to reunite Sophia and God Raff explains the difference between fantasy a product of the ego and imagination which comes from the soul More importantly he brings Sophia to life through a vivid analysis of an 800 year old text *The Aurora Consurgens* as well as his personal experience with Sophia and active imagination This process empowers us to become whole and realize our innate drive to unite with the divine

Wisdom's Workshop James Axtell, 2023-03-07 An essential history of the modern research university When universities began in the Middle Ages Pope Gregory IX described them as wisdom's special workshop He could not have foreseen how far these institutions would travel and develop Tracing the eight hundred year evolution of the elite research university from its roots in medieval Europe to its remarkable incarnation today *Wisdom's Workshop* places this durable institution in sweeping historical perspective In particular James Axtell focuses on the ways that the best American universities took on Continental influences developing into the finest expressions of the modern university and enviable models for kindred institutions worldwide Despite hand wringing reports to the contrary the venerable university continues to renew itself becoming ever more indispensable to society in the United States and beyond Born in Europe the university did not mature in America until the late nineteenth century Once its heirs proliferated from coast to coast their national role expanded greatly during World War II and the Cold War Axtell links the legacies of European universities and Tudor Stuart Oxbridge to nine colonial and hundreds of pre Civil War colleges and delves into how U S universities were shaped by Americans who studied in German universities and adapted their discoveries to domestic conditions and goals The graduate school the PhD and the research imperative became and remain the hallmarks of the American university system and higher education institutions around the globe A rich exploration of the historical lineage of today's research universities *Wisdom's Workshop* explains the reasons for their ascendancy in America and their continued international preeminence
