Catalog of Copyright Entries. New Series Library of Congress. Copyright Office, 1933 **Bibliothèque de la Revue de littérature comparée**, 1924 Catalogue of Copyright Entries Library of Congress. Copyright Office, 1931 Books Abroad Roy Temple House, 1929 *The French Romantics' Knowledge of English Literature (1820-1848)* Eric Partridge, 1924 Stendhal Or the Pursuit of Happiness Matthew Josephson, 2005-10

On Stendhal The study of human nature the observation of the human heart and its passions was his constant preoccupation But where could he study the passions better than in himself Though he lived exuberantly submitting himself to experience he went on incessantly writing down everything that happened to him just as it happened he even led to perform some remarkable experiments upon himself He laid claim to having been a soldier a man of fortune a great lover a society wit a diplomat a traveler and even sometimes a revolutionary conspirator Fifty years after his death he becomes one of the demigods of the world's letters taking his place in the ranks of the great social writers who appeared toward the end of the last century his manner of life itself has fascinated whole regiments of literary scholars in France Italy and Germany in the last forty years Matthew Josephson From the Introduction 1946 Like Josephson's Victor Hugo it is the best and most comprehensive English study of its subject a careful collection of material skillfully assembled and organized When Freud read Stendhal's memoirs of his childhood and adolescence he called them a manifestation of psychological genius Stendhal he saw had been a Freudian some 70 years before Freud himself TIME Magazine 1946 **Gilded Youth** Kate Cambor, 2010-08-03 In *Gilded Youth* Kate Cambor paints a portrait of a generation lost in upheaval While France weathered social unrest violent crime the birth of modern psychology and the dawn of World War I these three young adults Leon Daudet Jean Baptiste Charcot and Jeanne Hugo experienced the disorientation of a generation forced to discover that the faith in science and progress that had sustained their fathers had failed them from publisher description University Studies, 1918 *University of Cincinnati Studies*, 1918 The Collection of Autograph Letters and Historical Documents Alfred Morrison, 1895 *The Road from Versailles* Munro Price, 2014-04-22 Through brilliant detective work Price has uncovered documents that shed a definitive light on the French Crown's policy toward the revolution Library Journal In acclaimed historian Munro Price's powerful new book he confronts one of the enduring mysteries of the French Revolution what were the true actions and feelings of Louis XVI and Marie Antoinette as they watched their sovereignty collapse Dragged back from Versailles to Paris by the crowd in October 1789 the king and queen became prisoners in the capital They were compelled for their own safety to approve the Revolution and its agenda Yet in deep secrecy they soon began to develop a very different and dangerous strategy The precautions they took against discovery and the bloody overthrow of the monarchy three years later dispersed or obliterated most of the clues to their real policy Much of this evidence has until now remained unknown The Road from Versailles reconstructs in detail for the first time the king and queen's clandestine diplomacy from 1789 until their executions To do so

it focuses on a vital but previously ignored figure the royal couple's confidant the baron de Breteuil Exiled from France by the Revolution Breteuil became their secret prime minister and confidential emissary to the courts of Europe Along with the queen's probable lover the comte de Fersen it was Breteuil who organized the royal family's dramatic dash for freedom the flight to Varennes Breteuil's role is crucial to an understanding of what Louis and Marie Antoinette secretly felt and thought during the Revolution To unlock these secrets *The Road from Versailles* draws on highly important unpublished and previously unknown material Catalogue of the Collection of Autograph Letters and Historical Documents Formed; The Blessington Paper Alfred Morrison, Alphonse Wyatt Thibaudeau, 2024-01-09 Reprint of the original first published in 1883

Catalogue of the Collection of Autograph Letters and Historical Documents Formed ... by Alfred Morrison ...: Collection ... formed ... 1882-1893: A-D. 1893-96, 3 v Alfred Morrison, 1895 **Incidental Archaeologists** Bonnie Effros, 2018-08-15 No detailed description available for Incidental Archaeologists The Emperor's Friend Margaret S. Chrisawn, 2001-05-30

While Lannes was best known for his military skill especially as an advance guard commander his unconventional three year diplomatic career was equally noteworthy since his diplomatic tactics resulted in particular benefits for France His career spanned much of what many historians and readers believe to be one of the most fascinating and controversial eras in French history **BOOK JACKET** Souvenirs d'un trente-troisième Domenico Margiotta, 1894 *The Secret Wife of Louis XIV*

Veronica Buckley, 2009-09 Françoise d'Aubign, marquise de Maintenon and secret wife of the Sun King Louis XIV was born in a bleak French prison in 1635 her father a condemned traitor and murderer her mother the warden's seduced daughter A timely pardon and a hopeful Caribbean colonial venture failed to mend the family's fortunes and Françoise was reduced to begging in the streets Yet armed with beauty intellect and shrewd judgment she was to make her way to the center of power at Versailles the most opulent and ambitious court in all Europe At fifteen she was married off to the forty two year old satirical poet Paul Scarron a former rou now grievously deformed by rheumatism a sort of human Z as he described himself Despite his ailments Scarron presided over the liveliest and most scandalous literary salon in Paris and Françoise quickly became its most prized ornament After Scarron's death she enjoyed a merry widowhood in the fashionable Marais district in the company of the courtesan Ninon de Lenclos and the King's splendid mistress Athanasia de Montespan who made the young widow governess to her brood of illegitimate children The appointment transformed Françoise's life but was fatal to the temperamental Athanasia herself with the King soon turning his attentions to the graceful governess Françoise was raised to the nobility as Madame de Maintenon and unofficially Madame de Maintenant the lady of the moment The acclaimed biographer Veronica Buckley traces the extraordinary story of Françoise's progress from pauper child to salonnière to the compromised position of Louis's secret wife and uncrowned Queen An absolute ruler Louis turned away his many other mistresses to live with Françoise only trusting her as his closest confidante and remaining in love with her for forty years Sparkling with the irresistible wit of contemporary chroniclers such as Madame de Sévigné this exactly researched

biography is a pinnacle of the form In vibrant colors The Secret Wife of Louis XIV paints a portrait of Europe in an age of violent change and the Sun King s France in the process of becoming its modern self Romantic and Revolutionary Theatre, 1789-1860 Donald Roy,2003-06-05 Taking as notional parameters the upheaval of the French Revolution and the events leading up to the Unification of Italy this volume charts a period of political and social turbulence in Europe and its reflection in theatrical life Apart from considering external factors like censorship and legal sanctions on theatrical activity the volume examines the effects of prevailing operational conditions on the internal organization of companies their repertoire acting stage presentation playhouse architecture and the relationship with audiences Also covered are technical advances in stage machinery scenography and lighting the changing position of the playwright and the continuing importance of various street entertainments particularly in Italy where dramatic theatre remained the poor relation of the operatic and itinerant acting troupes still constituted the norm The 460 documents many of them illustrated have been drawn from sources in Britain France and Italy and have been annotated and translated where appropriate **French VII**
