of Learning Spanish Phiona Stanley,2016-11-10 The premise that intercultural contact produces intercultural competence underpins much rationalization of backpacker tourism and in country language education However if insufficiently problematized pre existing constructions of cultural otherness may hinder intercultural competence development This is nowhere truer than in contexts in which wide disparities of power wealth and privilege exist and where such positionings may go unproblematized This study contributes to theoretical understandings of how intercultural competence develops through intercultural contact situations through a detailed multiple case study of three conceptually comparable contexts in which Western backpackers study Spanish in Latin America This experience often bundled with home stay volunteer work social and tourist experiences offers a rich set of empirical data within which to understand the nature of intercultural competence and the processes through which it may be developed Models of a single context free transferable intercultural competence are rejected Instead suggestions are made as to how educators might help prepare intercultural sojourners by scaffolding their intercultural reflections and problematizing their own intersectional identities and their assumptions The study is a critical ethnography with elements of autoethnographic reflection The book therefore also contributes to development of this qualitative research methodology and provides an empirical example of its application **American**

Relief Aid and the Spanish Civil War Eric R. Smith,2013-10-17 The Spanish Civil War created a conflict for Americans

who preferred that the United States remain uninvolved in foreign affairs Despite the country's isolationist tendencies opposition to the rise of fascism across Europe convinced many Americans that they had to act in support of the Spanish Republic While much has been written about the war itself and its international volunteers little attention has been paid to those who coordinated these relief efforts at home American Relief Aid and the Spanish Civil War tells the story of the political campaigns to raise aid for the Spanish Republic as activists pushed the limits of isolationist thinking Those concerned with Spain's fate held a range of political convictions including anarchists socialists liberals and communists with very different understandings of what fascism was Yet they all agreed that fascism's advance must be halted With labor strikes fund raising parties and ambulance tours defenders of Spain in the United States sought to shift the political discussion away from isolation of Spain's elected government and toward active assistance for the faltering Republic Examining the American political organizations affiliated with this relief effort and the political repression that resulted as many of Spain's supporters faced the early incarnations of McCarthyism's trials Smith provides new understanding of American politics during the crucial years leading up to World War II By also focusing on the impact the Spanish Civil War had on those of Spanish ethnicity in the United States Smith shows how close to home the seemingly distant war really hit

The Routledge Handbook of Hispanic Applied Linguistics Manel Lacorte, 2014-09-19 This book provides a comprehensive overview of Hispanic applied linguistics allowing students to understand the field from a variety of perspectives and offering insight into the ever growing number of professional opportunities afforded to Spanish language program graduates The goal of this book is to re contextualize the notion of applied linguistics as simply the application of theoretical linguistic concepts to practical settings and to consider it as its own field that addresses language based issues and problems in a real world context The book is organized into five parts 1 perspectives on learning Spanish 2 issues and environments in Spanish teaching 3 Spanish in the professions 4 the discourses of Spanish and 5 social and political contexts for Spanish The book's all inclusive coverage gives students the theoretical and sociocultural context for study in Hispanic applied linguistics while offering practical information on its application in the professional sector

Assessing and evaluating the impact of the covid 19 pandemic on anxiety and stress: A global perspective Ravi Philip Rajkumar, Vsevolod Konstantinov, Francesca Conte, 2023-04-13 *The Bulletin of the University of Minnesota, The College of Science, Literature, and the Arts* University of Minnesota.
