School Publication Los Angeles City School District, 1923 **The Spectacle of Twins in American Literature and Popular Culture** Karen Dillon, 2018-07-26 The cultural fantasy of twins imagines them as physically and behaviorally identical. Media portrayals consistently offer the spectacle of twins who share an insular closeness and perform a supposed likeness standing side by side, speaking and acting in unison. Treating twinship as a cultural phenomenon, this first comprehensive study of twins in American literature and popular culture examines the historical narrative within the discourses of experimentation, aberrance, and eugenics and how it has shaped their representations in the 20th and 21st centuries. **The Year Out of Doors** Dallas Lore Sharp, 1914
