The Killing Doll

Abraham Merritt

The Killing Doll:

The Killing Doll Ruth Rendell, 2010-12-28 A girl experiments with the occult to keep her family together in this psychological thriller from the New York Times bestselling author of *Dark Corners* In a quiet house in the London suburb of Manningtree fifteen year old Pup and his emotionally damaged older sister Dolly have become closer than ever since the death of their mother Pup's bookish obsession with witchcraft gives their disordered life a sense of purpose Dolly isn't sure what to expect from the talisman Pup makes her until their father brings home a vulgar new wife Then Dolly resentful and suddenly empowered makes a deadly wish the first of many In a depressed neighborhood on the other side of town a paranoid hermit has been questioned in a series of brutal murders Lately he's taken to living in a tunnel behind a fort of mattresses where he keeps his knives Soon his life and the lives of Pup and Dolly will converge As one of them struggles toward something close to sanity the other two will descend even further into darkness Only Rendell can show us how chillingly easy it is for ordinary people to slide into criminal behavior and in *The Killing Doll* the tumble is relentless Oprah.com Rendell who perfected the art of the truly suspenseful psychological thriller is a three time recipient of the Edgar Award and the author of numerous bestsellers *The Boston Globe* The Killing Doll Ruth Rendell, 2005 *Sorcerous Stabber Orphen: The Wayward Journey Volume 2* Yoshinobu Akita, 2018-10-30 Orphen's wayward journey continues as he pursues the dwarf brothers Volkan and Dörtin who have absconded with a dangerous artifact known as the Sword of Baldanders His two companions Claiomh Everlasting and Majic Lin however are not used to traveling such long distances so the group stops off at the popular tourist destination of Alenhatam along the way But an ancient slumbering secret has been awakened beneath the depths of the city one that could threaten to wipe out the very nature of sorcery as the world knows it **Sorcerous Stabber Orphen: The Wayward Journey Volume 5** Yoshinobu Akita, 2019-11-09 Orphen is invited back home by an old associate named Leticia There he encounters a mysterious incredibly talented assassin A sorcerer clad in black who wields prodigious power There's only one problem The assassin calls himself Krylancelo and is physically identical to our titular hero Orphen is pushed to the limit forced to overcome the greatest challenge of all Himself Ghost Reaper Girl, Vol. 3 Akissa Saiké, 2022-12-06 Chloë had nothing but success so far as a spirit hunter and she's got the bank account balance to prove it But when she takes on a new high level job she may have bitten off more than she can chew Not only is the target a big one she'll have to get along with other talented hunters who want to claim the prize for themselves VIZ Media *The Doll's House* Louise Phillips, 2017-08-08 Winner of the Irish Crime Fiction Book of the Year Award Thirty five years ago Adrian Hamilton drowned At the time his death was deemed a tragic accident but the exact circumstances remain a mystery His daughter Clodagh now visits a hypnotherapist in an attempt to come to terms with her past and her father's death As disturbing childhood memories are unleashed memories of another tragedy begin to come to light Meanwhile criminal psychologist Dr Kate Pearson is called to assist in a murder investigation after a body is found in a Dublin canal And when

Kate digs beneath the surface of the killing she discovers a sinister connection to the Hamilton family Time is running out for Clodagh and Kate And the killer has already chosen his next victim **The Good Kill** Marc LiVecche,2021 The Good Kill addresses the crisis of moral injury among warfighters from the perspective of the just war tradition By providing a moral framework for enduring the heavy business of killing in combat Marc LiVecche offers potential remedies to help warfighters manage the effects of killing without becoming irreparably morally injured The Fiction of Ruth Rendell Barbara Fass Leavy,2012-08-31 A study of the role of family ancient Greek narratives and the psychological theories of Freud and Jung in the mystery novels of Ruth Rendell Aside from Ruth Rendell s brilliance as a fiction writer and her appeal to mystery lovers her books portray a compelling universal experience that her readers can immediately relate to the intra familial stresses generated by the nuclear family Even those who experience the joys as well as pains of family life will find in Rendell the conflicts that beset all who must navigate their way through the conflicts that beset members of the closest families Barbara Fass Leavy analyzes the multi leveled treatment of these themes that contributes to Rendell s standing as a major contemporary novelist Rendell who also writes as Barbara Vine draws on ancient Greek narratives and on the psychological theories Sigmund Freud and Carl Jung derived from them to portray the disturbed family relationships found throughout her work Leavy s analysis considers what distinguishes mysteries as popular entertainment from crime fiction as literary art The potential for rereading even when the reader remembers whodunit will be the basis for this distinction Leavy also looks closely at the Oedipus and Electra complexes and how they illuminate Rendell s portrayals of the different pairings within the nuclear family for example mother and daughter and considers the importance of gender differences In addition Leavy corrects a widespread error that Freud formulated the Electra complex when in fact the formulation was Jung s as he challenged Freud s emphasis on the Oedipus story as the essential paradigm for human psychological development

Mystery Voices Dale Salwak,1991-01-01 A series of interviews with authors such as P D James and Julian Symons

Historical Archaeology of Childhood and Parenting April Kamp-Whittaker,Jamie J. Devine,Suzanne M.

Spencer-Wood,2024-04-12 The study of childhood in historical archaeology enriches interpretations of the past but also has the potential for contributing to the understanding of methodological and theoretical issues in archaeology Archaeologically children are understudied relative to both their demographic and social importance partly because children are viewed as difficult to discern in the archaeological record Historical archaeology with its access to historical documents to supplement and illuminate archaeological evidence provides an opportunity to gain a greater understanding of the ways children s daily lives in the past were expressed in historically changing types and patterns of material culture Recent research presented in this volume contributes valuable perspectives for conceptualizing the historically changing social nature of childhood and methods for illuminating the roles of children Case studies are designed to illustrate methodological and theoretical advances in the historical archaeology of materialized experiences discourses identities places and their meanings associated with

parenting and childhood The volume is organized into three sections devoted to case studies about 1 how childhood and parenting have been socially constructed cross culturally and temporally 2 social ideologies of childhood in contested spaces and 3 the relationship between children s experiences and adult expectations of childhood Each chapter demonstrates advances in current methods or theories used in the archaeology of childhood A final discussant drawn from the broader field of research on the archaeology of childhood provides a commentary on the ways the perspectives provided in the volume can be employed by researchers outside the sub discipline of historical archaeology **Witchcraft and Magic in Europe,**

Volume 2 Bengt Ankarloo, Stuart Clark, 1999-10-14 Topics include binding spells curse tablets and the demonization of magic and sorcery by Christianity Witchcraft and Magic in Europe Valerie Irene Jane Flint, 1999 **Burn, Witch, Burn!**

Abraham Merritt, 2017-12-02 I AM a medical man specializing in neurology and diseases of the brain My peculiar field is abnormal psychology and in it I am recognized as an expert I am closely connected with two of the foremost hospitals in New York and have received many honors in this country and abroad I set this down risking identification not through egotism but because I desire to show that I was competent to observe and competent to bring practiced scientific judgment upon the singular events I am about to relate **The Palgrave Handbook of Popular Culture as Philosophy** Dean A.

Kowalski, Chris Lay, Kimberly S. Engels, 2024-04-30 Much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments But works of pop culture are important in their own right they shape worldviews inspire ideas change minds We wouldn t baulk at a book dedicated to examining the philosophy of The Great Gatsby or 1984 why aren t Star Trek and Superman fair game as well After all when produced the former were considered pop culture just as much as the latter This will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field It will be the go to resource for students and researchers in philosophy culture media and communications English and history and will act as a springboard to introduce the reader to the other key literature in the field **The Hispanic American Historical Review** James Alexander Robertson, 1919 Includes

Bibliographical section **The Bite Collection** Simon Cantan, 2019-03-14 Six Funny Fantasy Books For One Low Price Sword sorcery and jet powered railcars Combining fantasy humour and insane inventions the Bytarend series has a unique take on the fantasy genre Bytarend is a small mountain town under constant siege If there aren t evil magicians draining the life from people then officious nobles are trying to crush them and bring them to heel But the people in Bytarend aren t that easily crushed They want to build a new world no matter how the odds are stacked against them The Bite Collection contains all six books in the highly rated Bytarend series If you love comedic fantasy grab a copy and read the whole series today
