Tentacle Monster In The Woods Mons Erony,2021-10-04 It's not the first time Arian has gone camping out in the woods but there's something different about the silence around her The park rangers had reacted in a peculiar manner when she told them that she plans to stay here for the entire week She's aware of the urban legends around these parts The stories go that people who come in here do not emerge at all but she dismisses them as just that Stories Arian is used to the feeling of being watched when she's out in the woods all on her own Time and experience have reassured her over that it's just paranoia and she will embrace the newfound peace about her She learns soon enough that there is nothing peaceful in the shadows of the woods There is a creature here that means to claim her in every way imaginable PG Excerpt At first she thinks it's just another noise that has shaken her awake It won't be the first time she's woken up in the middle of the woods because some curious creature had snuck up to her tent in the middle of the night Except this creature has somehow managed to unzip her tent and wrap its hand around her ankle slowly pulling her out It must have realized that she had startled awake when she makes a loud noise of distress kicking out in panic The world is suddenly upside down She manages a shocked yelp as the ground rushes away from her and she's yanked up by her leg the blackness of night swallowing her vision Fear pulses in her veins and it is more than a little disorienting when she is held upside down by her assailant It must be a bear No other creature would be big enough to lift her like this so easily Blood rushes to her head in her position and it takes a moment for her vision to clear up well enough that she can see where she is but seeing doesn't make things any easier If anything she is even more confused by what exactly she's being held up by At first she thinks it's just a mess of shadows a trick of the light making the creature look like it has more limbs than anatomically possible but that's just her brain trying to make sense of the monster she's seeing

Monster Lovers Veronica Sloan, Your slimiest dreams are about to come true In this collection of fantastical erotica women are seduced by the strangest and horniest lovers in the galaxy From naughty tentacles to lustful orcs Veronica Sloan brings you four tales of breeding bondage and impregnation In the first captivating tale a new addition to the aquarium pulls intern Kimmy Noguchi into a sticky situation How can she refuse the creature s clammy caresses when an entire species depends on her In No Orc s Whore a beautiful barbarian must distract a tribe of orcs with the one weapon they re powerless to resist In M nage Tentacle a naive marshal journeys to the planet New Dorado and befriends a beautiful bounty hunter and her partner a tentacled alien that feeds on female arousal Finally in Defiled by the Dragon an arrogant princess is kidnapped by a dragon and accepts a most indecent proposal This bundle of eldritch erotica is 34 000 words and is for readers 18 and up Cover art created by TheKite Excerpt From M nage Tentacle One rambunctious tentacle wiggled its beak into her deep cleavage and she slapped it like a naughty child I said behave you creep The tentacle retreated beak downcast in an unmistakable sulk Ohhh baby she intoned She took it in her hands and gently pried the beak open with her thumb The tentative tongue reappeared And with it the slick pink head I watched with a curious mixture of disgust and fascination as the tongue slithered into her mouth and gently probed her cheeks She bit down on it playfully and giggled as it made a sound like a raspberry The tongue retreated into the glistening slit on the pink head which Thorn stroked with her satin thumbs and then kissed Mollified the head retreated into the beak and the tentacle rolled against her neck like a sleepy snake Grapla are psychoforms she said You and I need material things to survive Food water sunlight Grapla resonate to life itself They prefer raw emotions Fear is particularly potent which is why they make such effective partners The Grapla took great pride in what she said Its tentacles rose in a lethal chorus and trilled a dozen haunting tones that melted and faded and

complemented each other It was a stirring sound accompanied by the hollow clacks of its deadly beaks opening and shutting like hungry birds For a moment the saloon went silent Large men cyborgs and thuggish hybrids of all shapes and sizes clutched their drinks in fear The sound had its most visible effect on Thorn Her cheeks flushed her bosom lifted with unconcealed longing She pulled two tentacles from the pack and let them drape across her chest But love is their life she said They die quickly without companionship They don't grow large in the wild Some can get by scavenging at the fringes of population centers but they need a mate to thrive Someone who loves them unconditionally She kissed the tops of her lover's heads Do you ever miss the touch of your own kind I asked Another smirk I had plenty of lovers men and women and otherwise before I began my trial There were skilled lovers certainly but even the greatest geishas on Rao's moons cannot compare to Strabo The tentacles excited by her praise wriggled beneath her like a bouncing throne She stroked a thick vein that throbbed beneath its skin No one has ever loved me longer deeper more completely No lover has ever trusted me so fully or given me such respect I am his wife his mistress his one and only And he is my world Forced by Tentacles Rose Rough, Bella Monster, 2022-07-29 A walk home alone late at night turns into a tentacle filled night Will the innocent young woman be able to handle having all these tentacles go to places they shouldn't go Rose Rough and Bella Monster team up to bring you a hot and depraved tentacle story dubcon dubious consent taboo forced submission sex forbidden taboo alien sex alien abduction alien invasion first contact monsterotica monster erotica tentacle monster tentacles tentacle alien cryptid erotica short story erotica short stories short sex stories sci fi erotica science fiction erotica horror erotica erotic horror
