philosophy and political theory **The Assyrian** , *The Exegetical Imagination* Michael Fishbane, Nathan Cummings
Professor of Jewish Studies and Chair of the Committee on Jewish Studies Michael Fishbane, PhD, 1998-10-30 Exegesis
interpretation and explanation of sacred texts is the quintessence of rabbinic thought Through such means and methods the
written words of Hebrew Scripture have been extended since antiquity and given new voices for new times In this lucid and
often poetic book Michael Fishbane delineates the connections between biblical interpretation and Jewish religious thought
How can a canon be open to new meanings given that it is believed to be immutable Fishbane discusses the nature and
rationale of this interpretative process in a series of studies on ancient Jewish speculative theology Focusing on questions
often pondered in Midrash he shows how religious ideas are generated or justified by exegesis He also explores the role
exegesis plays in liturgy and ritual A striking example is the transfer of speculative interpretations into meditation in prayer
Cultivation of the ability to perceive many implicit meanings in a text or religious practice can become a way of living as
Fishbane shows in explaining how such notions as joy or spiritual meditations on death can be idealized and the ideal
transmitted through theological interpretation *The Exegetical Imagination* is a collection of interrelated essays that together
offer new and profound understanding of scriptural interpretation and its central role in Judaism **Thomas Hobbes and**
Carl Schmitt Johan Tralau, 2013-09-13 Thomas Hobbes the English 17th century philosopher and Carl Schmitt Hitler s
crown jurist a political thinker and author of an enigmatic book on Hobbes are increasingly relevant today for two reasons
First they address the problem of political order so important when we witness failed states the privatisation of war and the
rise of political violence that does not derive from the state Secondly they are both crucial sources for the use of mythology in
politics moreover they address the key issue of our time namely the relation between politics and religion This collection of
important new essays addresses Hobbes and Schmitt as political thinkers their importance for present day politics and
society their conceptions of myth and politics and Schmitt s use of Hobbes in and some say against the Third Reich When
myth violence and revelation re emerge as political forces it is important to understand Hobbes s and Schmitt s answers to
the problems of their time and to those of ours This book was based on a special issue of the *Critical Review of International*
Social and Political Philosophy *The Leviathan's Heir* Russell Vaughn, 2024-12-10 The sun is dying dragging the world into
an endless twilight For the Meridan Empire a vast thalassocracy clinging to power survival hinges on the dim glow of
harvested bioluminescence But beneath the waves in the coral city of Avani a different kind of fear reigns the fear of losing
their connection to the slumbering Leviathan a primal force whose dormant energy sustains their underwater paradise When
a monstrous storm unearths the Leviathan s colossal remains young fisherman Kaelen Rhys loses everything Drawn to the
skeletal behemoth he discovers a crown of woven coral and bone pulsating with otherworldly light Claiming it he
unknowingly awakens a power within a terrifying transformation that marks him as the Leviathan s Heir Now Kaelen is
caught in a deadly game of three powers Empress Morgan Buchanan ruler of the Meridan Empire sees him as the key to her

empire's survival a living energy source to stave off the encroaching darkness Avani offers sanctuary whispering of shared destinies but their promises conceal a parasitic hunger for his burgeoning power And then there's Elina Vance a brilliant marine biologist haunted by the devastation of the ancient Leviathan War She knows that Kaelen holds the key to preventing another catastrophe but her warnings are drowned out by the Leviathan's seductive whispers As the Kraken Riders genetically modified human kraken hybrids close in and Avani's bioluminescent warriors prepare for war Kaelen must choose his destiny Will he succumb to the Leviathan's rage and reshape the world in its image Or will he heed Elina's call and find a path to balance saving a world teetering on the brink of destruction The whispers of the deep promise power but true power comes at a price
