

The background of the entire cover is a classical landscape painting. It depicts a wide, open field in the foreground, possibly a meadow or a field of low-lying vegetation. In the middle ground, there are rolling hills and a small cluster of buildings, including a prominent church with a tall, dark spire. The sky is filled with soft, white clouds, suggesting a bright but slightly overcast day. The overall style is reminiscent of 19th-century landscape art.

of six often referred to collectively as the Chronicles of Barsetshire Wikipedia [The Last Chronicle of Barset](#) Anthony Trollope, 2011-11-16 The Last Chronicle of Barset 1867 is the novel that Anthony Trollope considered his masterpiece In the course of the last century and a half Trollope's county of Barset has become one of English literature's most celebrated fictional landscapes This sixth and final novel in the Barsetshire series revolves around the proud hardworking and impecunious Reverend Josiah Crawley curate of the poor parish of Hogglegstock and his brush with disaster Crawley stands accused of a theft but as he is uncertain himself as to the truth of the matter he is unable to offer a defense and retreats into self doubt and shame The community is bitterly divided between those who wish to help him and those convinced of his guilt the latter headed by Mrs Proudie the bishop's forceful wife Meanwhile Crawley's daughter Grace has captured the affection of Archdeacon Grantly's son Henry but her father's scandal stands in the way of their marriage The solution to the mystery the downfall of Mrs Proudie and the resolution of the fates of many other beloved characters including Septimus Harding Johnny Eames and Lily Dale bring the famous Barsetshire chronicles to a splendid conclusion The Last Chronicle of Barset provides a brilliant example of Trollope's ability to render a highly individual society with such detail and force that it comes to reflect every society in any age

found beauty in her thin face and that Grace Crawley's fortune was made in the teeth as it were of the prevailing ill fortune of her family Her husband had told her one morning when the butcher's threat was weighing heavily on his mind speaking to her in such a humour that she found it impossible to cross question him that he had still money left though it was money which he had hoped that he would not be driven to use and he had given her the four five pound notes and had told her to go to Silverbridge and satisfy the man who was so eager for his money It has been said that Major Grantly had thrown a favourable eye on Grace Crawley by which report occasion was given to all men and women in those parts to hint that the Crawleys with all their piety and humility were very cunning and that one of the Grantlys was to say the least of it very soft admitted as it was throughout the county of Barsetshire that there was no family therein more widely awake to the affairs generally of this world and the next combined than the family of which Archdeacon Grantly was the respected head and patriarch
