The Last Poems:

After All William Matthews, 2000 This is the touchingly entitled collection of poems William Matthews had completed shortly before dying just after his fifty fifth birthday in November 1997 Is death ever entirely unexpected Not perhaps by a collector of experience a gourmet of language who can refer to death flickering in you like a pilot light In AFTER ALL Matthews seems to be looking his last on all things lovely music food and wine love In the stunning central poem Dire Cure which forms a kind of spine to the book he describes the remarkable implications of the heroic measures that saved the life and restored the health of his wife from a children s cancer doesn t that possessive break your heart He evokes the death of his favorite jazz musician Charles Mingus He speaks of cats dogs pigs sheep of the past of history of joys proposed but especially with his characteristic relaxed wit of language and its quiddities My love says I think too damn much and maybe she s right After All is the last word from one of the most pensive and delicious of all our poets The Last Poems of D.H. Lawrence Dr Bethan Jones, 2013-04-28 In the first book to take D H Lawrence s Last Poems as its starting point Bethan Jones adopts a broadly intertextual approach to explore key aspects of Lawrence s late style The evolution and meaning of the poems are considered in relation to Lawrence s prose works of this period including Sketches of Etruscan Places Lady Chatterley s Lover and Apocalypse More broadly Jones shows that Lawrence s late works are products of a complex process of textual assimilation as she uncovers the importance of Lawrence s reading in mythology cosmology primitivism mysticism astronomy and astrology The result is a book that highlights the richness and diversity of his poetic output also prioritizing the masterpieces of Lawrence s mature style which are as accomplished as anything produced by his Modernist contemporaries The Last Poems A. E. Housman, 2014-03 This Is A New Release Of The Original 1922 Edition

The Collected Poems of Ted Berrigan Ted Berrigan, 2005-11-14 Comfortably intimate classically adroit in its formal wit and invention altogether unique yet in no way excluding this meticulously edited edition of a master poet s collected works gives us the defining bridge from the New American Poetry of the 50s to that poetry now contemporary on both coasts and in all conditions No one ever recognized the people with whom he lived more particularly than did Ted Berrigan and no one ever brought them home to a reader with such unaggressive and persistent power This is a great great book for all seasons of the mind and heart Robert Creeley Ted Berrigan was a leader of the New York School his crazy energy embodied that movement and the city itself It is wonderful to have his Collected Poems in print John Ashbery A comprehensive and carefully chronicled volume that puts Ted Berrigan in historical context as one of the most influential poets of his generation His poems deft light definitely humorous irreverent poignant marvelous and tough The truth doing its work the great man doing the ordinary thing with a quick ear and a quick tongue revealing the personal in the universal He gives you his full attention about to be born again thinking of you Joanne Kyger In a life devoted to experimental art Ted Berrigan shaped his poetry and the space he occupied with a bold artistry based on his playful but powerfully skeptical view of the world He wondered what might actually be captured within the pages of a book but The Collected Poems allows us to again enjoy Ted Berrigan s delightfully demanding presence Lorenzo

Thomas A singular balance of personal historical vision and sentiment both sweet and sour developed within the fractured verbalism of the late twentieth century found lyric creates in Ted Berrigan s poems the unique colors of a particularly lived and still intensely living ensemble of moments Tom Clark author of Late Returns A Memoir of Ted Berrigan Some people are just more real than others I don t know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi Fair-copy Manuscripts of Shelley's Poems in European and American Libraries Percy Bysshe Shelley,1997 Makes key resources widely availableThese books provide the only complete record much fuller than that available through any other printed source of the major manuscripts of Lord Byron Percy Bysshe Shelley John Keats and Mary Wollstonecraft Shelley Valuable primary informationThese editions with their expensive facsimile reproductions beta radiographs of the watermarks detailed bibliographical descriptions transcriptions textural notes collations bibliographies of relevant studies of the MSS and indexes will remain repositories of primary information on the poems and prose of the younger Romantics for the next century **Immortal Poems of the English Language** Oscar Williams,1952 447 British and American poems by 150 poets including contemporary poets
