The Why Series Sam Tollett,2021-06-22 What I love about

the Bible is you don t have to wait until the book of Matthew to discover Jesus God has intentionally planted Jesus in the Old

Testament from the very beginning When you begin to read the Old Testament with Jesus tinted lenses then it becomes

incredible at what you discover I relate looking for Jesus in the Old Testament to digging gold in an old abandoned gold mine

When you dig up a piece of gold you don t want to quit You are inspired to dig harder and dig deeper to find more You catch

gold fever I have found when people no longer see the Old Testament as an old abandoned part of the Bible and begin to dig

for Jesus what they will discover is a wealth of Jesus gold When this happens they catch the Jesus Fever **High in Her**

Carus Wilson,1861 *The Modern Magi: A Christmas Novel* Carol Lynn Pearson,2023-02-02 Annabelle had the strangest

feeling as though she were about to tiptoe into the most wonderful room and leave the most wonderful present under the

most wonderful tree and she couldn t wait to hide and watch the face of the someone who would open it Fifty seven year old

Annabelle Perkins lives alone in a small Midwestern town and works as a waitress But she dreams of traveling to the Holy

land and giving a gift to Jesus at his birthplace just like the magi did two thousand years ago After saving her money for

months her dream is about to come true Then something unexpected forces Annabelle to make a series of difficult decisions

From Carol Lynn Pearson the best selling author of A Christmas Thief and A Stranger for Christmas comes this poignant

Christmas tale about the true meaning of giving sacrifice and faith Cultures at the Susquehanna Confluence Katherine M.

Faull,2024-03-12 Located at the confluence of the north and west branches of the Susquehanna River Shamokin was a

significant historical settlement in the region that became Pennsylvania By the time the Moravians arrived to set up a mission

in the 1740s Shamokin had been a site of intertribal commerce and refuge for the Native peoples of Pennsylvania for several

centuries It served first as a Susquehannock then a Shawnee and then a primarily Lenape settlement and trading post

overseen by the Oneida leader and diplomat Shikellamy Cultures at the Susquehanna Confluence is an annotated translation of the diaries documenting the Moravian mission to the area Unlike other missions of the time the Moravians at Shamokin integrated their work and daily life into the diverse cultures they encountered demonstrating an unusual compromise between the Church's missionary impetus and the needs of the Six Nations of the Iroquois The diaries counter the dominant vision of the area around Shamokin as a sinister place revealing instead a nexus of vibrant cultural exchange where women and men speaking Lenape Mohican English and German collaborated in the business of survival at a pivotal time The Shamokin diaries which until now existed only in manuscript form in difficult to read German script in the Moravian Archives in Bethlehem Pennsylvania allow today's readers to experience the Susquehanna confluence and the rich intercultural exchanges that took place there between Europeans and Native Americans
