The Log Of A Cowboy:

The Log of a Cowboy Andy Adams, 2019-09-25 Reproduction of the original The Log of a Cowboy by Andy Adams The Log of a Cowboy Andy Adams, 2019-11-20 In The Log of a Cowboy Andy Adams presents a vivid and compelling narrative that captures the hardships and exhilarations of life on the American frontier during the late 19th century. Written in a straightforward yet evocative style, the book functions as both a semi-autobiographical account and a historical document, blending personal experience with the raw realities of cattle ranching and the cowboy lifestyle. It deftly employs a first-person perspective to immerse readers in the daily routines, struggles, and camaraderie of the cowboy life, while also illuminating the broader cultural and social contexts of westward expansion and the American West. Andy Adams himself, a rancher and cowboy, draws heavily from his early experiences in the West. His intimate understanding of ranch life, combined with a keen eye for detail, allows him to recreate a vivid tableau of the era. Adams' contributions to literature also reflect a trend of realism prevalent in American literature at the turn of the 20th century, where the emphasis shifted towards honest depictions of ordinary life and the challenges faced by working-class individuals in rapidly changing landscapes. This work is highly recommended for anyone interested in the authentic portrayal of cowboy culture, American history, or the pioneering spirit of the West. With its rich descriptions and engaging storytelling, The Log of a Cowboy offers valuable insights while providing an entertaining read that resonates with both history buffs and literary enthusiasts alike.

The Log of a Cowboy (a Narrative of the Old Trail Days) Large Print Edition Andy Adams, 2013-07-30 Just why my father moved at the close of the civil war from Georgia to Texas is to this good hour a mystery to me While we did not exactly belong to the poor whites we classed with them in poverty being renters but I am inclined to think my parents were intellectually superior to that common type of the South Both were foreign born my mother being Scotch and my father a north of Ireland man as I remember him now impulsive hasty in action and slow to confess a fault It was his impulsiveness that led him to volunteer and serve four years in the Confederate army trying years to my mother with a brood of seven children to feed garb and

house The war brought me my initiation as a cowboy of which I have now after the long lapse of years the greater portion of which were spent with cattle a distinct recollection Sherman s army in its march to the sea passed through our county devastating that section for miles in its passing Foraging parties scoured the country on either side of its path My mother had warning in time and set her house in order Our work stock consisted of two yoke of oxen while our cattle numbered three cows and for saving them from the foragers credit must be given to my mother s generalship There was a wild canebrake in which the cattle fed several hundred acres in extent about a mile from our little farm and it was necessary to bell them in order to locate them when wanted But the cows were in the habit of coming up to be milked and a soldier can hear a bell as well as any one I was a lad of eight at the time and while my two older brothers worked our few fields I was sent into the canebrake to herd the cattle We had removed the bells from the oxen and cows but one ox was belled after darkness each evening to be unbelled again at daybreak I always carried the bell with me stuffed with grass in order to have it at hand when wanted During the first few days of the raid a number of mounted foraging parties passed our house but its poverty was all too apparent and nothing was molested Several of these parties were driving herds of cattle and work stock of every description while by day and by night gins and plantation houses were being given to the flames Our one roomed log cabin was spared due to the ingenious tale told by my mother as to the whereabouts of my father and yet she taught her children to fear God and tell the truth My vigil was trying to one of my years for the days seemed like weeks but the importance of hiding our cattle was thoroughly impressed upon my mind Food was secretly brought to me and under cover of darkness my mother and eldest brother would come and milk the cows when we would all return home together Then before daybreak we would be in the cane listening for the first tinkle to find the cattle and remove the bell And my day s work commenced anew
