The Long War Terry Pratchett, Stephen Baxter, 2013-06-18 The Long War by legendary author and

Discworld creator Terry Pratchett and award winning science fiction novelist Stephen Baxter follows the adventures and travails of heroes Joshua Valiente and Lobsang in an exciting continuation of the extraordinary journey begun in the New York Times bestseller *The Long Earth*. War has come to the Long Earth. Humankind has spread across the new worlds opened up by stepping which Joshua and Lobsang explored a mere decade ago. Now civilization flourishes and fleets of airships link the multiple Earths through exploration, trade and culture. Humankind is shaping the Long Earth but in turn the Long Earth is shaping humankind. A new America that has christened itself Valhalla has emerged more than a million steps from the original Datum Earth. And like the American revolutionaries of old the Valhallans resent being controlled from afar by the Datum government. In the intervening years the song of the trolls, graceful hive mind humanoids, has suffused the Long Earth. But in the face of humankind's inexorable advance they are beginning to fall silent and gradually disappear. Joshua, now married and a father, is summoned by Lobsang. It seems that he alone can confront the perfect storm of crises that threatens to plunge all of the Long Earth into war. A war unlike any that has been waged before. The full list of books in the Long Earth series include *The Long Earth*, *The Long War*, *The Long Mars*, *The Long Utopia*, *The Long Cosmos*. [The Long Cosmos](#) Terry Pratchett, Stephen Baxter, 2016-06-14. The thrilling conclusion to the internationally bestselling Long Earth series explores the greatest question of all: What is the meaning of life? 2070-71. Nearly six decades after *Step Day*, a new society continues to evolve in the Long Earth. Now a message has been received: Join us. The Next, the hyper intelligent post humans realize that the message contains instructions for kick starting the development of an immense artificial intelligence known as The Machine. But to build this computer the size of an Earth continent they must obtain help from the more populous and still industrious worlds of mankind. Meanwhile on a trek in the High Meggers Joshua Valient, now nearing seventy, is saved from death when a troll band discovers him. Living among the trolls as he recovers, Joshua develops a deeper understanding of this collective intelligence species and its society. He discovers that some older trolls with capacious memories act as communal libraries and live on a very strange Long Earth world in caverns under the root systems of trees as tall as mountains. Valient also learns something much more profound about life and its purpose in the Long Earth. We cultivate the cosmos to maximize the opportunities for life and joy in this universe and to prepare for new universes to come. The complete list of books in the Long Earth series include *The Long Earth*, *The Long War*, *The Long Mars*, *The Long Utopia*, *The Long Cosmos*. His old friend Joshua, now in his fifties, searches for his father and discovers a heretofore unknown family history. And the super
