The Lost Jesus Scroll:

The Lost Jesus Scroll Elizabeth MacDonald Burrows, 2007-11-01 The Lost Jesus Scroll is one of the most remarkable discoveries of the last century The text defines a path by which every human can raise his or her Divine Nature from the limitations of mortality Christian *Secret Scrolls* Robert M. Price, 2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven't bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one's religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls

The Lost Religion of Jesus Keith Akers, 2000 Jesus preaching was first and foremost about simple living pacifism and vegetarianism he never intended to create a new religion separate from Judaism Moreover Jesus radical Jewish ethics rather than a new theology distinguished him and his followers from other Jews It was the earliest followers of Jesus the Jewish Christians who understood Jesus better than any of the gentile Christian groups which are the spiritual ancestors of modern Protestant Catholic and Orthodox churches In this detailed and accessible study Keith Akers uncovers the history of Jewish Christianity from its origins in the Essenes and John the Baptist through Jesus until its disappearance into Islamic mysticism sometime in the seventh or eighth century Akers argues that only by really understanding this mysterious and much misunderstood strand of early Christianity can we get to the heart of the radical message of Jesus of Nazareth *The Lost Codex* Alan Jacobson, 2015-11-03 In this brilliant thriller from the USA Today bestselling author ancient biblical documents are at the center of a devastating terrorist threat Jeffery Deaver In 930 CE a revered group of scholars pens the first sanctioned Bible planting the seed from which other major religions will grow But in 1953 half the manuscript goes missing while being transported from Syria Around the same time in the foothills of the Dead Sea an ancient scroll is discovered and

promptly stolen Six decades later both parchments stand at the heart of a geopolitical battle between foreign governments and radical extremists threatening the lives of millions With the American homeland under siege the president turns to a team of uniquely trained covert operatives including FBI profiler Karen Vail Special Forces veteran Hector DeSantos and FBI terrorism expert Aaron Uziel Their mission Find the stolen documents and capture or kill those responsible for unleashing a coordinated and unprecedented terrorist attack on US soil Set in DC New York Paris England and Israel The Lost Codex has been hailed by Douglas Preston as a masterwork of international suspense and an outstanding novel The Lost Christ Mike Difeo,2009 What if After the world is destroyed and all memory is lost a time capsule is unearthed In it is something called the New World Testament and Torah Two writings that threaten to shake humankind down to its very core About the same time of the discovery a child is born A baby boy named Jesus What if God is about second chances What if this is the world's second chance What if Christ isn't crucified this time What if he is A thought provoking journey into the world of what if

Gospel Thrillers Andrew S. Jacobs,2023-11-30 What if the original teachings of Jesus were different from the Bible's sanitized orthodox version What covert motivations might inspire those who decide what the text of the Bible says or what it means For some who ask conspiratorial questions like these the Bible is the vulnerable victim of secular forces seeking to divest the USA of its founding identity For others the biblical canon suppresses religious truths that could upend the status quo Such suspicions surrounding the Bible find full expression in Gospel Thrillers a 1960s fictional genre that endures and still commands a substantial following These novels imagine a freshly discovered first century gospel and a race against time to unlock its buried secrets They also reflect the fears and desires that the Bible continues to generate Andrew Jacobs reveals in his authoritative examination how this remarkable fictional archive opens a window onto disturbing biblical anxieties

The Lost Gospel of Mary: Mother of Jesus in Three Ancient Texts Frederica Mathewes-Green,2007-04-01 Some Christians have piled the status of the mother of Jesus so high that it rivals that of her Son Others ignore the Virgin Mary entirely Behind all of the images is a girl who grew up to be the mother of Christ How did the first Christians view her What were the commonly understood facts about the Blessed Mother's early life before the Annunciation How did Mary the mother of Jesus become the Theotokos Frederica Mathewes Green opens up the Virgin Mary's early life offering a window into her centrality to the Christian Faith in new and sometimes startling ways Do you want to get to know Mary a bit better Are you interested in entering a faithful Marian spirituality Let Frederica Mathewes Green facilitate a rich traditional authentic meeting of Mary When it comes to spending time with the mother of our Lord this book is second only to Scripture Lauren F Winner author of *Girl Meets God* *Mudhouse Sabbath* and *Real Sex* The Mary that Frederica Mathewes Green gives us in these winsome texts a palpably real woman at once humble and exalted transcends the differences that persist even today among the main streams of the Christian tradition not least because this Mary points beyond herself to the ultimate source of our hope and our joy John Wilson editor Books Culture Frederica Mathewes Green is a sparkling writer In *The Lost Gospel of Mary* not only is her

material fascinating but so is her perspective as a thoughtful and irenic Orthodox Christian There is much here to warm the heart as it engages the mind from here to warm the heart as it engages the mind from early in our common Christian tradition Brian McLaren author of *A Generous Orthodoxy* and www.brianmclaren.net

Jung and the Lost Gospels Stephan A. Hoeller, 1989-10-01 The Lost Gospels refer to the Dead Sea Scrolls and the Nag Hammadi Library both discovered in the 1940s The Nag Hammadi Library consists of writings found by two peasants who unearthed clay jars in 1945 in upper Egypt These did not appear in English for 32 years because the right to publish was contended by scholars politicians and antique dealers The Dead Sea Scrolls discovered in clay jars in Palestine by a goatherder in 1947 weathered similar storms The first team of analysts were mostly Christian clergy who weren't anxious to share material that frightened church leaders As Dr Hoeller shows they rightly feared the documents would reveal information that might detract from unique claims of Christianity Indeed the Dead Sea Scrolls and Nag Hammadi Library both contradict and complement accepted tenets of the Old and New Testaments

The Stone Puzzle of Rosslyn Chapel Filip Coppens, Philip Coppens, 2004 Rosslyn Chapel has fuelled controversy and debate both recently in several best selling books as well as in past centuries Revered by Freemasons as a vital part of their history believed by some to hold evidence of pre-Columbian voyages to America assumed by others to hold important relics from the Holy Grail to the Head of Christ the Scottish chapel is a place full of mystery This book will guide you through the theories showing and describing where and what is being discussed what is impossible what is likely and what is fact At the same time the book will virtually guide you around all enigmatic and important aspects of the chapel The history of the chapel its relationship to freemasonry and the family behind the scenes the Sinclairs is brought to life incorporating new forgotten and often unknown evidence Finally the story is placed in the equally enigmatic landscape surrounding the chapel from Templar commanderies to prehistoric markings from an ancient kingly site to the South to Arthur's Seat directly north from the
