The March Up Country:

March Upcountry David Weber, John Ringo, 2001-05-01 THE ROYAL BRAT IS IN TROUBLE Roger Ramius Sergei Chiang MacClintock didn't understand He was young handsome athletic an excellent dresser and third in line for the Throne of Man so why wouldn't anyone at Court trust him Why wouldn't even his own mother the Empress explain why they didn't trust him Or why the very mention of his father's name was forbidden at Court Or why his mother had decided to pack him off to a backwater planet aboard what was little more than a tramp freighter to represent her at a local political event better suited to a third assistant undersecretary of state It probably wasn't too surprising that someone in his position should react by becoming spoiled self centered and petulant After all what else did he have to do with his life But that was before a saboteur tried to blow up his transport Then warships of the Empire of Man's worst rivals shot the crippled vessel out of space Then Roger found himself shipwrecked on the planet Marduk whose jungles were full of damn beasts killer pillars carnivorous plants torrential rain and barbarian hordes with really bad dispositions Now all Roger has to do is hike halfway around the entire planet then capture a spaceport from the Bad Guys somehow commandeer a starship and then go home to Mother for explanations Fortunately Roger has an ace in the hole Bravo Company of Bronze Battalion of The Empress Own Regiment If anyone can get him off Marduk alive it's the Bronze Barbarians Assuming that Prince Roger manages to grow up before he gets all of them killed At the publisher's request this title is sold without DRM Digital Rights Management

SOME DAYS IT JUST DOESN T PAY TO GET OUT OF YOUR SLEEPING BAG The successor to March Upcountry It wasn t so much that Prince Roger and his surviving remnant of elite bodyguards are marooned on a barbarian planet Or that they have been on continuous operations for so long they are getting shocky Or that they still have half a planet to cross Or that they are basically out of ammunition for their plasma and bead rifles and just about out of cash Sure those are all problems but they re not the real problem No the problem is Roger is in love With one of his bodyguards And the romance is not going well Damnbeast Sure Vampiric moths Okay Screaming waves of barbarians No problem But when you have Nimashet Despreaux and Prince Roger Ramius Sergei Chiang MacClintock at sword s point that s real danger And it s just the beginning To get to

the distant port that is their only way off the planet they ll be forced to battle enraged monsters displaced mercenaries religious fanatics and a barbarian horde to shame the Huns Along the way they ll have to recreate the Reformation the Renaissance and the Industrial Revolution And do it all in a context their four armed horned grizzly bear sized native allies can handle It will strain all their experience and knowledge as the most elite the most multitalented and above all the toughest bodyguards in human space But the really hard part will be keeping Roger and Nimashet from killing each other At the publisher s request this title is sold without DRM Digital Rights Management **The zoologist** ,1882 **Colonial and Revolutionary History of Upper South Carolina** John Belton O'Neill Landrum,1897 The Thirteenth Hussars in the Great War Henry Mortimer Durand,1921
