The Mark And The Void

Paul Murray

The Mark And The Void:

The Mark and the Void Paul Murray, 2015-10-20 Originally published Great Britain Hamish Hamilton 2015 *The Mark and the Void* Paul Murray, 2025-11-25 From the author of the beloved bestseller *The Bee Sting* a 10th anniversary reissue of his brilliant second novel laugh out loud funny A sharply intelligent satire The New York Times Book Review Meet Claude an investment bank drone longing for something more meaningful Marooned in soggy Dublin he yearns for art philosophy and a steady girlfriend You could call him a modern day everyman or just another lonely banker Now meet Paul struggling novelist strip club enthusiast pioneer of not entirely legal Internet start ups He is willing to stoop to any level in pursuit of the riches he knows he deserves You could call him a troubled genius or a shameless crook Both men have something missing in their lives They might just be able to help each other out of a big hole Or their friendship might be the most disastrous thing to hit Dublin since the banking crisis As Paul's get rich quick schemes blow up in his face and the global economy falters will Claude be able to save the day get the girl and finally become the hero of his own story Probably the funniest novel ever written about the recent financial crisis *The Mark and the Void* is a stirring examination of the deceptions carried out in the names of art and commerce *The Mark and the Void* Paul Murray, 2016-03-22 WINNER OF THE EVERYMAN WODEHOUSE PRIZE 2016 A comic masterpiece about love art greed and the banking crisis from the author of *Skippy Dies* What links the Investment Bank of Torabundo www.myhotswaitress.com yes hot with an s don't ask an art heist a novel called *For the Love of a Clown* a four year old boy named after TV detective Remington Steele a lonely French banker a tiny Pacific island and a pest control business run by an ex KGB man You guessed it *The Mark and the Void* is Paul Murray's madcap new novel of institutional folly following the success of his wildly original breakout hit *Skippy Dies* While marooned at his banking job in the bewilderingly damp and insular realm known as Ireland Claude Martingale is approached by a down on his luck author Paul looking for his next great subject Claude finds that his life gets steadily more exciting under Paul's fictionalizing influence he even falls in love with a beautiful waitress But Paul's plan is not what it seems and neither is Claude's employer the Bank of Torabundo which inflates through dodgy takeovers and derivatives trading until well you can probably guess how that shakes out *The Mark and the Void* is a stirring examination of the deceptions carried out in the names of art love and commerce and is also probably the funniest novel ever written about a financial crisis **Form, Affect and Debt in Post-Celtic Tiger Irish Fiction** Eoin Flannery, 2022-04-21 Based on readings of some of the leading literary voices in contemporary Irish writing this book explores how these authors have engaged with the events of Ireland's recent economic boom and the demise of the Celtic Tiger period and how they have portrayed the widespread and contrasting aftermaths Drawing upon economic literary criticism affect theory in relation to shame and guilt and the philosophy of debt this book offers an entirely original suit of perspectives on both established and emerging authors Through analyses of the work of writers including Donal Ryan Anne Haverty Claire Kilroy Dermot Bolger Deirdre Madden

Chris Binchy Peter Cunningham Justin Quinn and Paul Murray author E in Flannery illuminates their formal and thematic concerns Paying attention to generic and thematic differences Flannery's analyses touch upon issues such as the politics of indebtedness temporality and narrative form the relevance of affect theory to understandings of Irish culture and society in an age of austerity and the relationship between literary fiction and the mechanics of high finance Insightful and original Form Affect and Debt in Post Celtic Tiger Irish Fiction provides a seminal intervention in trying to grasp the cultural context and the literature of the Celtic Tiger period and its wake

The Mark of Perillius Atonus L. Perry, 2011-05 SINEXIA is a bastard world that never should have existed Its birth was an accident Born of war and anointed with savagery its lands were conquered by magicians monsters and creatures that some would revere as gods or demons Just as Earth holds Sinexia's Origin Sinexia holds the fate of the Earth The Sinexia series chronicles the events that bind Earth and Sinexia Read them and become engrossed in the tales of honor love despair and action that cycle in a ring of creation and cataclysm The Mark of Perillius follows the adventures of a young orphan who inherits the powers and abilities of his fabled ancestor He is taken from the only normalcy he has ever known and tossed into a world of mystery and magic Once there he must learn to master his newfound abilities while encountering a host of rich characters places of wonder and dire situations The orphan's name is Emberillius He begins his journey as a sixteen year old young boy He must spend nine long years in Sinexia if he is to have any chance at all of saving the Earth from an impending catastrophe It is during this time that he learns about love war hate responsibility life death good evil and sacrifice as he matures into a man Through the trials of life an orphan is forged into a hero

www.sinexia.net ATONUS L PERRY has always been fascinated with tales of fantasy and wonder Being the son of a librarian he spent many of his weekends and summers reading books The only thing he loved more than reading was indulging in creative writing As he matured he began to take an interest in Japanese animation comic books and role playing video games After immersing himself in the media storylines he loved so much he discovered that there was not enough action in most of the stories he loved So he vowed to one day write a story that was not lacking in action One day after an assignment in one of his college English classes called for an outline of an epic adventure he made good on that vow and began writing stories that deliver page turning action He writes for the people who feel dissatisfied with the stories they love so much

Atonus L Perry lives in Shreveport Louisiana with his son Isaiah Alexander Perry
