The Knowing Faith Just Walk It Out Knowing:

The Knowing Faith Rose McElhaney, 2014-12-20 The Lord allows us to make choices in life If we make the wrong choice He does not stop loving us but He does forgive us As we mature and become acquainted with walking in the knowing when we have to make choices it becomes evident that faith is how we walk faith is what we talk and faith is who we become Now that you know Walk It Out *It'S All in the Knowing* Bishop J. A. Tolbert 1st., 2013-01-28 It has been recorded by some astute observer of life that Knowledge is power If that is the truth then ignorance is impotence Nowhere is this reality of greater consequence than in the arena of the classic battle between good and evil right and wrong holiness and unholiness No one can live what one has never known nor can one know what one has never heard This book Its all in the Knowing puts to rest every excuse that the Child of the King has for living beneath the privileges of the sons of God Read this book Study this book Examine it with your Bible in your hand and you will see that your prayer life will be revolutionized You will rejoice because your expectations of God will be those that will cause Him to smile at His sons who are living as His sons If you allow this book to become a Knowing in your heart a Revelation in your spirit you will walk as a son of God among men Its all in the Knowing Bishop J A Tolbert 1st **The Guide to Walking by Faith** Jalesia Packnett, **GOD'S VISION, my vision** Robert "Bobby" Florence, 2013-12 A book that will have one cognizant of whatever dark and bleak circumstances or situations one may be in and eventually will find themselves in the answer was here before any problem existed The discovery and importance of not wasting time and energy concentrating on the problem it s a waste of time knowing the answer is never found in the problem it s always revealed in the answer The search for significance to discover the real you which lives inside of you that only God the Father can reveal unto you of who you were predestined ordained and anointed to be You ll be taken on a fascinating and exciting journey in your inner most being where you ll locate hidden treasures and gifts God has deposited inside of you like fireworks ready to explode and reveal the greatness inside of you This book is filled with the Word of God and will renew you in the spirit of your mind You ll begin to look at problems as preparation trouble as training and transition and if one is a doer of the Word and not a hearer only it will transform one into the more than conqueror and overcomer God has created us to be in Jesus Christ May your testimony inspire readers to know the testimony of Jesus Christ for the testimony of Jesus is the spirit of prophecy Blessed is he that reads and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand As you prophesy before many peoples and nations and tongues and kings may this book be like the little book of Revelation 10 when eaten makes the belly bitter but it shall be in your mouth sweet as honey Your fellow servant and of your brethren and father in the faith that have the testimony of Jesus Pastor Houseworth Gary Indiana **Letters from a Friend** Roy Harvey, 2008-04 Statements like The church is full of hypocrites and Sin is fun often block the path to true contentment and peace in God Roy tackles some of the tough rationalizations that people have for abandoning the Christian faith that they were taught In an equally honest treatment he

also calls the church to task for its failure to nurture and train disciples The Letters segment of this book is a collection of letters that Roy wrote to actual college age young adults answering their questions and defying common excuses for not accepting Christianity The Meat and Potatoes section is a thorough practical method for developing and maintaining the daily disciplines of the Christian faith Mr Harvey demystifies the concepts of prayer life and Bible study and gives wisdom and direction on how to be plugged into a church Whether you are plagued by doubts questions and excuses or just don't seem to be growing in your faith let Letters from a Friend inspire you to get off the sidelines get back in the game and renew your passion to walk out your faith one day at a time

The Faith to Walk on Water Lindsey Bethel, 2013-04 Sand between my toes the salt air wrapping around me like a warm summer blanket the crashing of waves and the meeting of sky and water The beach is where I see the handiwork of God As a young child it was there that I wished that I could walk on the water as Jesus and Peter had in Matthew 14 It was there that I learned of faith the faith that requires you to not only step out of the boat but also to focus on Jesus and learn to walk toward Him daily It is not enough to just get out of our comfort zones but now we need to learn to grow and walk toward Him constantly The Faith to Walk on Water takes a look at why standing still in our faith is no longer an option how doubt and fear are overcome by Jesus He does not watch from a distance but He is always there holding out His hand for us to take hold So what are you waiting for Take that step and walk on the water

The Lost Soul: The Journey of Faith Leading Into the Heart Of a Soul Rhonda Buchanan, 2022-08-01 For thirty four years I lived my life placing God in the category as the tooth fairy Santa Claus and the Easter bunny I attended a church for weddings and funerals I hated both Something about the chapels always made me anxious and nervous Maybe it was because of the way I felt about a God I didn't believe in At thirty four years old I was set in my ways when it came to any type of religion I was happy with my life I had a wonderful husband a company that was thriving a home I loved a nice car and we took vacations often I didn't want for anything I also worked for everything It was not handed to me on a silver platter I grew up in poverty a broken home along with bouncing from one place to another through my teens I was determined to be successful and by my standards I had made it The only thing that I failed at was the religion topic My husband would always try to get me to go to

church or change my view For almost a decade he tried but it fell on deaf ears We would disagree about it and I refused to participate in anything religious I thought I was doing a great job and had my life together That could be far from the truth I couldn't see it It was not until God himself visited me in my living room He knew he would not find me sitting in a church pew or even near one That's the day I found out I had it all wrong also the day that my husband's prayers were answered However he never expected my reaction or how it would ultimately affect him as well and change his life God wanted me to give up everything I worked so hard for However my husband didn't sign up for that So he too was faced with very hard decisions Are you wondering what God told me Well he told me to find a lady named Hellen in another country Nicaragua to be exact Let's just say my life changed that instant First of all I had to tell my husband I am changing the way I live and placed my most prized assets on the back burner my marriage my career everything I struggled and worked so hard for All my time energy resources are now going to be devoted to God You know the one I knew nothing about
