The Known World:

The Far Edges of the Known World Owen Rees, 2025-09-30 A revisionist history of the ancient world that shifts our focus from Athens and Rome to the long ignored societies on the borders When Ovid was exiled from Rome to a border town on the Black Sea he despaired at his bleak and barbarous new surroundings Like many Greeks and Romans Ovid thought the outer reaches of his world was where civilization ceased to exist Our own fascination with the Greek and Roman world has for centuries followed this perspective shrouding cultures at the far reaches of their influence in myth But what was it like to live on the edges of these empires on the boundaries of the known world In The Far Edges of the Known World ancient historian Owen Rees draws on archaeological excavations to reveal these so called borders as thriving multicultural spaces This is where the boundaries of civilized and barbarian began to dissipate where traditional rules didn't always apply where different cultures intermarried and where nomadic tribes built their own cities Transporting readers through historical spheres of influence Rees journeys from the sandy caravan routes of Morocco to the freezing winters of the northern Black Sea from the Red River valley of Vietnam to the rain lashed forts south of Hadrian's Wall Beyond well remembered figures like Cleopatra and Caesar Rees introduces us to the everyday people who called the borderlands home We meet an enterprising sex worker in Egypt's Naucratis gambling soldiers at Hadrian's Wall in England a Greco Buddhist monk hailing from the Ganges and more As Rees shows exchanges of trends ideas even religious practices were happening all over the world The Far Edges of the Known World offers us a vibrant new lens to see and understand the ancient world

New World, Known World David Read, 2005 New World Known World examines the works of four writers closely associated with the early period of English colonization from 1624 to 1649 John Smith's *Generall Historie of Virginia* William Bradford's *Of Plymouth Plantation* Thomas Morton's *New English Canaan* and Roger Williams's *A Key into the Language of America* in conjunction with another of Williams's major works *The Bloudy Tenent of Persecution* David Read addresses these texts as examples of what he refers to as individual knowledge projects the writers attempts to shape raw information and experience into patterns and narratives that can be compared with and assessed against others from a given society's fund of accepted knowledge Read argues that the body of Western knowledge in the period immediately before the development of well defined scientific disciplines is primarily the work of individuals functioning in relative isolation rather than institutions working in concert The European colonization of other regions in the same period exposes in a way few historical situations do both the complexity and the uncertainty involved in the task of producing knowledge Read treats each work as the project of a specific mind reflecting a high degree of intentionality and design and not simply as a collection of documentary evidence to be culled in the service of a large scale argument He shows that each author adds a distinct voice to the experience of North American colonization and that each articulates it in ways that are open to analysis in terms of form style convention rhetorical strategies and applications of metaphor and allegory By applying the tools of literary interpretation to

colonial texts Read reaches a fuller understanding of the immediate consequences of English colonization in North America on the culture's base of knowledge Students and scholars of early modern colonialism and transatlantic studies as well as those with interests in seventeenth century American and English literature should find this book of particular value

True Crime Mark Seltzer, 2013-10-18 True crime is crime fact that looks like crime fiction It is one of the most popular genres of our pathological public sphere and an integral part of our contemporary wound culture a culture or at least cult of commiseration If we cannot gather in the face of anything other than crime violence terror trauma and the wound we can at least commiserate That is as novelist Chuck Palahniuk writes we can at least all be miserable together The murder leisure industry its media and its public these modern styles of violence and intimacy sociality and belief are the subjects of True Crime Observations on Violence and Modernity True Crime draws on and makes available to American readers and tests out work on systems theory and media theory for instance the transformative work of Niklas Luhmann on social systems and of Friedrich Kittler on the media apriori work yet to make its impact on the American scene True Crime is at once a study of a minor genre that is a scale model of modern society and a critical introduction to these forms of social and media history and theory With examples factual and fictional of the scene of the crime ranging from Poe to CSI from the true crime writing of the popular Japanese author Haruki Murakami to versions of the violence media complex in the work of the American novelist Patricia Highsmith and the Argentinian author Juan Jos Saer True Crime is a penetrating look at modern violence and the modern media and the ties that bind them in contemporary life

Palumbo, 2018-08-15 This companion to Frank Herbert's six original Dune novels Dune Dune Messiah Children of Dune God Emperor of Dune Heretics of Dune and Chapterhouse Dune provides an encyclopedia of characters locations terms and other elements and highlights the series underrated aesthetic integrity An extensive introduction discusses the theme of ecology chaos theory concepts and structures and Joseph Campbell's monomyth in Herbert's narratives

World's Great Men of Color, Volume I J.A. Rogers, 2011-05-17 The classic definitive title on the great Black figures in world history beginning in antiquity and reaching into the modern age World's Great Men of Color is the comprehensive guide to the most noteworthy Black personalities in world history and their significance J A Rogers spent the majority of his lifetime pioneering the field of Black studies with his exhaustive research on the major names in Black history whose contributions or even very existence have been glossed over Well written and informative World's Great Men of Color is an enlightening and important historical work

The World's Work, 1910 **Poems of the Known World** William Kistler, 1995 Poems of the Known World come to us from the paradoxes and harsh juxtapositions of late 20th century life the unkempt homeless sleeping beside a smoothness of marble cut from mountains they will never see and used as the facings of buildings they will almost never enter male and female reaching toward union while memories of the brutality of war pass between them the recognition by a market futures trader that his life is as vulnerable and circumscribed as that of a frog he had dissected as a student years

before Kistler is sometimes likened to Wallace Stevens because of his careers in both poetry and business His concerns however are both contemplative and activist He has looked at the structures of late 20th century society and understood their effects on our lives His language and his imagery are at times harsh at times lyrical they open new shapes of understanding These poems resonate with the experiences of an intense life A fierce seeking is here joined with an expansive heart

Sacraments of Memory Erin Michael Salius,2022-10-04 This book argues that Catholicism informs a major genre of African American literature in ways and with a significance that has gone largely unrecognized Sacraments of Memory thus proposes a new framework for understanding the revisionist aims of these works contextualizing the skepticism they exhibit towards historical realism in terms of a Catholic counter tradition in American literature that has long been associated with superstition and irrationality

Stronghold Kesha Bakunin,2021-06-01 No one knows where it came from Or why for that matter Maybe the Stronghold has always been there Silent Foreboding Expectant Generations came and went Wars raged Kingdoms rose and fell But the Stronghold stood and observed the history as it was written before it in blood fire and tears Not a single soul has ever made it inside the Stronghold But some sure tried A parable of despotism and religious oppression Stronghold was banned in its country of origin It took Kesha Bakunin years to rewrite the book in English With censorship on the rise in many parts of the world it might be the last chance for him to share this cautionary tale about the most insidious kind of tyranny one which is welcomed by its subjects as virtuous The secret of the Stronghold awaits its claimant The question is who will have the courage to peek inside A powerful statement that lingers in the mind long after its initial reading demanding multiple rereads to reveal all the gems layered within its complex tale Readers of political parables and fiction that hold familiar settings and thought provoking insights into the origins of repression and tyranny will find Stronghold a frightening read D Donovan Senior Reviewer Midwest Book Review An epic and bold story of power and justice Joseph Haeger Independent Book Review A sincere urgent and deeply personal plea to all its readers to remember that every society is just a step away from a tyranny Chris Vittriano Vittriano Book Review Defied all my expectations Extremely well written Ashley Mongrain Cabinet of Curiosities Compelling challenging and utterly fascinating work Skillfully juggling a seemingly impossible plethora of various timelines settings and characters Bakunin builds to a thrilling series of revelations that keep readers turning pages nonstop This is a winner The Prairies Book Review

Towards a Grammar of Race Arcia Tecun,Lana Lopesi,Anisha Sankar,2022-10-21 A search for new ways to talk about race in Aotearoa New Zealand brought together this powerful group of scholars writers and activists For these authors attempts to confront racism and racial violence often stall against a failure to see how power works through race across our modern social worlds The result is a country where racism is all too often left unnamed and unchecked voices are erased the colonial past ignored and silence passes for understanding By bringing what is unspoken into focus Towards a Grammar of Race seeks to articulate and confront ideas of race in Aotearoa New Zealand an exploration that includes racial capitalism colonialism white supremacy

and anti Blackness A recurring theme across the book is the inescapable entanglement of local and global manifestations of race Each of the contributors brings their own experiences and insights to the complexities of life in a racialised society and together their words make an important contribution to our shared and future lives on these shores Contributors to this book Pounamu Jade Aikman Faisal Al Asaad Mahdis Azarmandi Simon Barber Garrick Cooper Morgan Godfery Kassie Hartendorp Guled Mire Tze Ming Mok Adele Norris Nathan Rew Vera Seyra Beth Teklezgi Selome Teklezgi and Patrick Thomsen **A Companion to Religious Minorities in Early Modern Rome** Matthew Coneys Wainwright, Emily Michelson, 2020-12-15 A Companion to Religious Minorities in Early Modern Rome investigates the lives and stories of the many groups and individuals in Rome between 1500 and approximately 1750 who were not Roman Latin Catholic It shows how early modern Catholic people and institutions in Rome were directly influenced by their interactions with other religious traditions This collection reveals the significant impact of Protestants Muslims Jews and Eastern Rite Christians the influence of the many transient groups and individual travelers who passed through the city the unique contributions of converts to Catholicism who drew on the religion of their birth and the importance of intermediaries fluent in more than one culture and religion Contributors include Olivia Adankpo Labadie Robert John Clines Matthew Coneys Wainwright Serena Di Nepi Irene Fosi Mayu Fujikawa Sam Kennerley Emily Michelson James Nelson Novoa Cesare Santus Piet van Boxel and Justine A Walden
