Poems My Children Love
Best of All Clifton Johnson,1917 **The School Poetry Book** ,1894 **On a Darkling Plain** James Haydock,2008-03-27

Speaking the deepest and truest thoughts of humankind in the language available only to the gifted the Victorian poets
 elected to do more than merely sing as versifiers By coming to grips with thorny contemporary issues and suggesting
 workable solutions they struggled to lead their people out of the wilderness Tennyson who came to be known as the voice of
 Victorianism is the poet most often credited with this ambition But Matthew Arnold and the other major poets had a similar
 aim Their poems while not devoid of feeling are charged with the main currents of social scientific religious and philosophical
 thought Interwoven and resonating in sensuous song is their own thought The best of the poetry fits the word and thought to
 the troubling developments of the time and rises to a prophecy to predict the problems of our time [A Wilder Shore](#)
