Intimate Letters Leos Janáček, 2014-07-14 These are the letters of a great love story In 1917 the Czech composer Leos Janáček met Kamila Stösslová while on holiday at Luhačovice a spa resort in Moravia He was sixty three and locked in a loveless marriage she was twenty six the wife of an antique dealer frequently away from home After the holiday Janáček began writing to Stösslová Undeterred by her lack of interest in his work and her spasmodic replies he continued to send her letters until his death eleven years later An extraordinarily self revealing portrait emerges of an isolated artist at the height of his creative powers and the beginning of his international fame It is also a portrait of a lonely man who as the years went by came to fantasize about Stösslová as his true wife the inspiration for many of the works of his old age Most of these letters were suppressed until changing conditions in Czechoslovakia allowed their full publication in 1990 John Tyrrell has edited and translated a comprehensive selection concentrating on the almost daily letters of the final eighteen months Supported by a diary of meetings between Janáček and Stösslová a decoding of the erotic references in the letters and a selection of mostly unknown photographs this remarkable book breathes life into the story one of the greatest of operatic composers and provides vital clues to the nature of his creative genius Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
