

A map of the northeastern United States showing the route of the North Country National Scenic Trail. The trail is depicted as a dark green line with small black triangles indicating trail segments. It starts in the Adirondacks region of New York, passes through Vermont, New Hampshire, Maine, and into Canada. The trail continues through the Green Mountains of New Hampshire and Vermont, then through the Adirondacks again, and finally through the Catskills and Delaware Park in New York. The map uses a light blue color for water bodies and a light tan color for land. The trail route is highlighted in a darker green. The text "THE LONGEST HIKING TRAIL IN THE U.S." is overlaid on the map in a large, bold, black font. Below this text is a horizontal line, and then the text "The North Country National Scenic Trail" is written in a smaller, black font.
