Emanon Volume 3: Emanon Wanderer Part Two Shinji Kajio, 2019-12-17 What happens when the woman who remembers everything forgets who she herself is? In 1973, Ryoza, a young hiker on a mountain trail in far southern Japan, comes across a disoriented girl who doesn't know her own name, carrying on her the small change of a dozen different nations and a bag with the initials E N. Canadian Magazine of Politics, Science, Art & Literature, 1924 *The Canadian Magazine*, 1923 **Mangatopia** Timothy Perper, Martha Cornog, 2011-10-24

Fascinating insights on what Japanese manga and anime mean to artists, audiences, and fans in the United States and elsewhere, covering topics that range from fantasy to sex to politics. Within the last decade, anime and manga have become extremely popular in the United States. *Mangatopia: Essays on Manga and Anime in the Modern World* provides a sophisticated anthology of varied commentary from authors well versed in both formats. These essays provide insights unavailable on the Internet, giving the interested general reader in-depth information well beyond the basic Japanese Comics 101 level and providing those who teach and write about manga and anime valuable knowledge to further expand their expertise. The topics addressed range widely across various artists and art styles, media, methodology, and theory, reception of manga and anime in different cultural markets, and fan behavior. Specific subjects covered include sexually explicit manga drawn and read by women, the roots of manga in Japanese and world film, the complexity of fan activities including cosplay, fan-drawn manga, and fans' highly specific predilections: right-wing manga and manga about Hiroshima and despair following World War II. The book closes with an examination of the international appeal of manga and anime.

The Kurosagi Corpse Delivery Service: Book Five Omnibus Eiji Otsuka, 2022-08-30 Five students at a Buddhist college in Japan find there's little call for their job skills among the living, that is. But their unique talents allow them to work with the dead, carrying out the last wishes of those whose spirits are still trapped in their corpses and can't move on to the next life. Book Five has the Kurosagi gang running into ever more bizarre incidents of modern horror, from mind control, mouse hats, to taxpayer-supported torture museums to the most feared calamity of all: jury duty. Meanwhile, it seems a gang of corpse-clearing impostors is out to take away their meager business, and in America, someone's made a cartoon series based off them. Plus three previously unpublished stories: a client whose psychological syndrome makes her believe she's dead, the mad robot scientist trio invents a zombie biker gang, and fugitives from a deadly cult hide out in the radioactive ruins of Fukushima. Collects *The Kurosagi Corpse Delivery Service* volumes 13 and 14 plus the previously unpublished volume 15.
