History of Herodotus a New English Version, Edited with Copious Notes and Appendices, Illustrating the History and Geography of Herodotus, from the Most Recent Sources of Information, and Embodying the Chief Results, Historical and Ethnographical, which Have Been Obtained in the Progress of Cuneiform and Hieroglyphical Discovery by George Rawlinson ,1862 North of Athabasca Lloyd Keith,2001-03-29 Using unused or little known documents Keith fills in gaps and corrects inconsistencies in previous information about the company North of Athabasca not only includes the extensively annotated texts of eleven North West Company documents but Keith s introductory essay amplifies what is known about the context of the fur trade His biographical notes provide personal details

about the proprietors and clerks involved in the fur trade as well as the engagés and aboriginal trading leaders. A sketch of the trading activities of every Native mentioned in the journals is included. Engagés are shown to be more than labouring drones. Keith demonstrates that men such as Jean Baptiste LaPrise were as important in furthering the interests of the North West Company north of Athabasca as any of the clerks or proprietors who kept the accounts and wrote the journals included here. The journals, often in fractured English or colloquial Canadian French and incorporating aboriginal terminology, make intriguing reading. A glossary is provided to assist with some of the more arcane terms. *North of Athabasca* fills an important void in the literature on this period and region. Readers interested in fur trade history as well as students of exploration, genealogy, ethnography, and Native studies will find this a welcome addition to the literature on a fascinating topic. **The Complete Poems of Robert Browning - 22 Poetry Collections in One Edition** Robert Browning, 2023-11-27 The Complete Poems of Robert Browning, encompassing 22 poetry collections in one definitive edition, showcases the breadth of Browning's literary genius.
