South African National Defence Force Application Forms 2015:

International Clinical Sociology Jan Marie Fritz, 2020-12-22 Clinical sociology is a multidisciplinary field that seeks to improve life situations for individuals and groups This book showcases the art and science of clinical sociology from around the world It is the first book to present basic clinical sociology diagrams and models in addition to detailed histories of clinical sociology in the United States Quebec France and Japan A range of interventions are discussed in light of a region's economic social political and disciplinary history The book presents illustrative case studies from leaders in the field and it serves the need of graduate level courses from around the world South Africa's Post-Apartheid Military Lindy Heineken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994 In South Africa's changed political state how has civilian control of the military been implemented and what does this mean for defence in a democracy This book presents an overview of the security environment how the mission focus of the military has changed and the implications for force procurement force preparation force employment and force sustainability The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force the effect of affirmative action on meritocracy recruitment and retention military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged HIV AIDS and the consequences this holds for the military in terms of its operational effectiveness In closing the author highlights key events that have caused the SANDF to become lost in transition and transformation spelling out some lessons learned The conclusions she draws are pertinent for the future of defence security and civil military relations of countries around the world *Regional Powers and Contested Leadership* Hannes Ebert, Daniel Flesch, 2018-03-19 When do rising powers fail to establish legitimate regional leadership and instead face contestation by their regional challengers This book investigates how and why the BRICS Brazil Russia India China and South Africa project leadership in South America post Soviet Eurasia South and Southeast Asia and sub-Saharan Africa respectively and in what ways their main regional challengers respond Based on a systematic conceptualization of the types and drivers of leadership and contestation the authors assess the impact of the rise of regional powers on weaker states security sovereignty and status as well as the consequences of contestation for regional economic development and stability and the regional powers bid for greater voice in global governance By illuminating the sources and effects of power politics in five regions that are increasingly pivotal for the emerging world order the volume offers a global comparative analysis of contemporary regional contested leadership that will interest scholars and students of international affairs foreign policy and area studies **Localising Memory in Transitional Justice** Mina Rauschenbach, Julia Viebach, Stephan Parmentier, 2022-05-30 This collection adds to the critical transitional justice scholarship that calls for transitional justice

from below and that makes visible the complex and oftentimes troubled entanglements between justice endeavours locality and memory making Broadening this perspective it explores informal memory practices across various contexts with a focus on their individual and collective dynamics and their intersections reaching also beyond a conceptualisation of memory as mere symbolic reparation and politics of memory It seeks to highlight the hidden unwritten and multifaceted in today s memory boom by focusing on the memorialisation practices of communities activists families and survivors Organising its analytical focal point around the localisation of memory it offers valuable and new insights on how and under what conditions localised memory practices may contribute to recognition and social transformation as well as how they may at best be inclusive or exclusive of dynamic and diverse memories Drawing on inter and multi disciplinary approaches this book brings an in depth and nuanced understanding of local memory practices and the dynamics attached to these in transitional justice contexts It will be of much interest to students and scholars of memory and genocide studies peace and conflict studies transitional justice sociology and anthropology

Special Operations Success James D. Kiras, 2024-10-24 Special Operations Success establishes a new benchmark in military theory in this deeply analytic and innovative work It answers several pressing questions How successful have American special operations been over the past quarter century Are special forces fated to cycles of expansion and misuse Will special forces invariably exceed the authorities granted to them because of they are Is a general theory of special operations feasible given the range of activities and conditions that fall under the category Kiras work is based on two decades of practical teaching and consulting experience within different special operations communities and its analysis and conclusions are designed to inform practitioners policymakers educators and the general public The book develops a framework in the form of a theory comprising capabilities and control for the comprehensively evaluating special operations success and is divided into three parts Part I lays the foundation for a general theory of special operations Part II explores the two component parts of theory capabilities and control and Part III uses various aspects of the theory depending on available information to assess the success of special operations over a twenty year period in the United Kingdom South Africa and the United States

White Mythic Space Stefan Aguirre Quiroga, 2022-01-19 The fall of 2016 saw the release of the widely popular First World War video game Battlefield 1 Upon the game s initial announcement and following its subsequent release Battlefield 1 became the target of an online racist backlash that targeted the game s inclusion of soldiers of color Across social media and online communities players loudly proclaimed the historical inaccuracy of black soldiers in the game and called for changes to be made that correct what they considered to be a mistake that was influenced by a supposed political agenda Through the introduction of the theoretical framework of the White Mythic Space this book seeks to investigate the reasons behind the racist rejection of soldiers of color by Battlefield 1 players in order to answer the question Why do individuals reject the presence of people of African descent in popular representations of history

Geopolitics and Development Marcus Power, 2019-01-25 Geopolitics and Development examines the historical

emergence of development as a form of governmentality from the end of empire to the Cold War and the War on Terror It illustrates the various ways in which the meanings and relations of development as a discourse an apparatus and an aspiration have been geopolitically imagined and enframed The book traces some of the multiple historical associations between development and diplomacy and seeks to underline the centrality of questions of territory security statehood and sovereignty to the pursuit of development along with its enrolment in various b ordering practices In making a case for greater attention to the evolving nexus between geopolitics and development and with particular reference to Africa the book explores the historical and contemporary geopolitics of foreign aid the interconnections between development and counterinsurgency the role of the state and social movements in re imagining development the rise of re emerging donors like China India and Brazil and the growing significance of South South flows of investment trade and development cooperation Drawing on post colonial and postdevelopment approaches and on some of the author s own original empirical research this is an essential critical and interdisciplinary analysis of the complex and dynamic political geographies of global development Primarily intended for scholars and post graduate students in development studies human geography African studies and international relations this book provides an engaging invaluable and up to date resource for making sense of the complex entanglement between geopolitics and development past and present

Professional Journal of the United States Army ,2016-11 [The Routledge Handbook of the History of Settler Colonialism](#) Edward Cavanagh,Lorenzo

Veracini,2016-08-12 The Routledge Handbook of the History of Settler Colonialism examines the global history of settler colonialism as a distinct mode of domination from ancient times to the present day It explores the ways in which new polities were established in freshly discovered New Worlds and covers the history of many countries including Australia New Zealand Israel Japan South Africa Liberia Algeria Canada and the USA Chronologically as well as geographically wide reaching this volume focuses on an extensive array of topics and regions ranging from settler colonialism in the Neo Assyrian and Roman empires to relationships between indigenes and newcomers in New Spain and the early Mexican republic to the settler dominated polities of Africa during the twentieth century Its twenty nine inter disciplinary chapters focus on single colonies or on regional developments that straddle the borders of present day states on successful settlements that would go on to become powerful settler nations on failed settler colonies and on the historiographies of these experiences Taking a fundamentally international approach to the topic this book analyses the varied experiences of settler colonialism in countries around the world With a synthesizing yet original introduction this is a landmark contribution to the emerging field of settler colonial studies and will be a valuable resource for anyone interested in the global history of imperialism and colonialism

The Oxford Handbook of Late Colonial Insurgencies and Counter-Insurgencies Martin Thomas,Gareth Curless,2023 Beginning with Britain s 1948 declaration of a Malayan Emergency and ending with the 1973 withdrawal of US ground troops from Vietnam this Handbook connects ideas about contested decolonization and the insurgencies that inspired it with an analysis of patterns and singularities in the conflicts that precipitated the collapse of overseas empires

Revisiting Unity and Diversity in Federal Countries Alain-G. Gagnon,MiChael Burgess,2018-09-24 The principal aim of this book is to revisit the basic theme of unity and diversity that remains at the heart of research into federalism and federation It is time to take another look at its contemporary relevance to ascertain how far the bifocal relationship between unity and diversity has evolved over the years and has been translated into changing conceptual lenses practical reform proposals and in some cases new institutional practices This book is structured around four main parts 1 the evolving conception of diversity over time and across continents 2 the interplay between unity and diversity in complex settings 3 federalism as decision making and new institutional practices that have been put forward and tested and 4 constitutional design and asymmetrical federalism as a way to respond to legitimate and insisting claims and political demands

Understanding the Age of Transitional Justice Nanci Adler,2018-06-22 No detailed description available for Understanding the Age of Transitional Justice

For an Anti-capitalist Psychology of Community Nick Malherbe,2022-04-22 Anti capitalist political struggle is a site of struggling psychologies Conscious political action is never far from unconscious desire and the fight for material justice is always also the fight for dignity and psychological well being Yet how might community psychologists conceive of their discipline in a way that opposes the very capitalist political economy that historically most of the psy disciplines have bolstered in return for disciplinary legitimacy In its consideration of an anti capitalist psychology of community this book does not ignore or try to resolve the contradictory position of such a psychology Instead it draws on these contradictions to enliven psychology to the shifting demands both creative and destructive of a community centred anti capitalism Using practical examples the book deals with the psychological components of building community centred social movements that challenge neoliberal capitalism as a political system an ideology and a mode of governing rationality The book also offers several theoretical contributions that grapple with how an anti capitalist psychology of community can remain attentive to the psychological elements of anti capitalist struggle what the psychological can tell us about anti capitalist politics and how these politics can shape the psychological

Private Military

and Security Contractors Gary Schaub, Jr., Ryan Keltz, 2016-06-16 In *Private Military and Security Contractors* PMSCs a multinational team of scholars and experts address a developing phenomenon controlling the use of privatized force by states in international politics Robust analyses of the evolving multi layered tapestry of formal and informal mechanisms of control address the microfoundations of the market such as the social and role identities of contract employees their acceptance by military personnel and potential tensions between them The extent and willingness of key states South Africa the United States Canada the United Kingdom and Israel to monitor and enforce discipline to structure their contractual relations with PMSCs on land and at sea is examined as is the ability of the industry to regulate itself Also discussed is the nascent international legal regime to reinforce state and industry efforts to encourage effective practices punish inappropriate behavior and shape the market to minimize the hazards of loosening states oligopolistic control over the means of legitimate organized violence The volume presents a theoretically informed synthesis of micro and macro levels of analysis offering new insights into the challenges of controlling the agents of organized violence used by states for scholars and practitioners alike

Emotions and Mass Atrocity Thomas Brudholm, Johannes Lang, 2018-03-22 The study of genocide and mass atrocity abounds with references to emotions fear anger horror shame and hatred Yet we don't understand enough about how ordinary emotions behave in such extreme contexts Emotions are not merely subjective and interpersonal phenomena they are also powerful social and political forces deeply involved in the history of mass violence Drawing on recent insights from philosophy psychology history and the social sciences this volume examines the emotions of perpetrators victims and bystanders Editors Thomas Brudholm and Johannes Lang have brought together an interdisciplinary group of prominent scholars to provide an in depth analysis of the nature value and role of emotions as they relate to the causes and dynamics of mass atrocities The result is a new perspective on the social political and moral dimensions of emotions in the history of collective violence and its aftermath ["ECEG2016-Proceedings of 16th European Conference on e-Government ECEG 2016"](#)

Mitja De Man, Tina Juki, 2016-06-02 **Peacekeeping in Africa** Marco Jowell, 2018-02-21 In recent decades African states have developed an impressive infrastructure for training their peacekeepers In addition peacekeeping peacebuilding and associated areas of conflict resolution have become significant areas of employment Marco Jowell has spent a decade working in peacekeeping training in East Africa initially as one of the foreign Technical Advisers at the Peace Support Operations PSO training centre in Kenya the International Peace Support Training Centre IPSTC and subsequently as a strategic adviser to the Rwanda Peace Academy Using first hand experience he considers how military forces from a variety of African states with great differences in history language and political systems and with militaries with different cultures and capabilities can conduct complicated multinational peacekeeping operations He shows how regional peacekeeping training centres provide an environment for African elites predominately military to interact with each other through shared training and experiences This process of interaction or socialisation improves skills but also encourages cohesion so that

future African led missions will be managed by well trained officers who are comfortable and willing to work within a regional or Pan African framework Jowell shows that part of the aim of peacekeeping training centres is to foster a Pan African outward looking ideology or disposition as well as improving technical ability This book will be essential reading for all involved with African military and security studies and analysts of peacekeeping training and operations

The Handbook of Security Martin Gill, 2022-06-22 The substantially revised third edition of The Handbook of Security provides the most comprehensive analysis of scholarly security debates and issues to date It reflects the developments in security technology the convergence of the cyber and security worlds and the fact that security management has become even more business focused It covers newer topics like terrorism violence and cybercrime through various offence types such as commercial robbery and bribery This handbook comprises mostly brand new chapters and a few thoroughly revised chapters with discussions of the impact of the pandemic It includes contributions from some of the world's leading scholars from an even broader geographic scale to critique the way security is provided and managed It speaks to professionals working in security and students studying security related courses Chapter 5 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com
