South African National Defence Force Application Forms 2016:

Turning and Turning Judith February, 2018-08-01 South Africans often are deeply polarised in our perspectives of the present and the past. Our ways of seeing are fraught with division and we fail to understand the complexities when we do not see what lies beneath the surface. There is no denying that the Jacob Zuma presidency took a significant toll on South Africa, exacerbating tensions and exposing the deep fractures that already exist in our society along the lines of race, class and even ethnicity. The Zuma years were marked by cases of corruption and state capture unprecedented in their brazenness and increased social protests many of which were accompanied by violence, aggressive public discourse, lack of respect for reason and an often disturbing resistance to meaningful engagement. Importantly, those years also placed enormous pressure on our democratic institutions many of which still bear the scars and challenged the sovereignty of the Constitution itself. As an analyst and governance specialist at the Institute for Democracy in South Africa (IDASA) for twelve years, February has had a unique perch. *Turning and turning* is a snapshot of her IDASA years and the issues tackled which included work on the arms deal and its corrosive impact on democratic institutions, IDASA's party funding campaign which February helped lead as well as work on accountability and transparency. Combining analytical insight with personal observations and experience, February highlights the complex process of building a strong democratic society and the difficulties of living in a constitutional democracy marked by soaring levels of inequality. There is a need to reflect on and learn from the country's democratic journey if citizens are to shape our democracy effectively and to fulfill the promise of the Constitution for all South Africans.

Counter-Insurgency in Nigeria Akali Omeni, 2017-09-08 This book offers a detailed examination of the counter insurgency operations undertaken by the Nigerian military against Boko Haram between 2011 and 2017. Based on extensive fieldwork conducted with military units in Nigeria, *Counter Insurgency in Nigeria* has two main aims. First, it seeks to provide an understanding of the Nigerian military's internal role, a role that today, as a result of internal threats, pivots towards counter insurgency. The book illustrates how organizational culture, historical experience, institutions and doctrine are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past. The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents, specifically plans and operations between June 2011 and April 2017. Within this second theme, emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013 as the Nigerian Army and Air Force recalibrated themselves for COIN warfare. A certain mystique has surrounded the technicalities of COIN operations by the Army against Boko Haram and this book aims to disperse that veil of secrecy. Furthermore, the work's analysis of the air force's role in counter insurgency is unprecedented within the literature on military warfare in Nigeria. This book will be of great interest to students of military studies, counter insurgency, counter terrorism, African politics and security studies in general.

Militarised Responses to Transnational Organised Crime Tuesday Reitano, Sasha Jespersen, Lucia Bird Ruiz-Benitez

de Lugo,2017-10-06 This edited volume examines the use of militarised responses to different forms of criminal activity discussing the outcomes and unintended consequences Politicians and policymakers frequently use militarised responses to look tough on crime The deployment of armies navies military assets and militarised approaches can send a powerful message but have produced mixed results While they generate the perception that governments are actively engaged on issues of concern to the public and in some cases have resulted in notable successes on the downside they have frequently also increased the loss of life exacerbated the humanitarian consequences of a particular crime and entrenched divides between security and state institutions and the criminal proponents narrowing the possibilities for future negotiated solutions By focusing on four different areas of criminality wildlife crime piracy migration and drug trafficking the book allows context and evidence based conclusions to be drawn on the strategic value and commonality of responses and their outcomes *The Palgrave Handbook of Small Arms and Conflicts in Africa* Usman A. times Daniel D. Bradlow,Elizabeth Sidiropoulos,2020-01-01 About the publication South Africa s foreign policy makers are facing a substantial challenge From the advent of the democratic era in 1994 through to the early 2000s South Africa was a highly respected actor in international affairs with a number of impressive accomplishments in the areas of global governance peacekeeping and international norm entrepreneurship However since that time the country s international standing has declined The value based and innovative foreign policy that earned the early post apartheid South African government such great international respect has been replaced by a more transactional and tactically driven approach to international affairs The country s position as Africa s leading economy and voice in international affairs is increasingly being challenged by other African states This book explores how South Africa can develop a foreign policy strategy that is appropriate to the uncertain times in which we live and that both helps the country address its overwhelming domestic challenges of poverty inequality and unemployment and regain its former high international reputation The contributors to this book offer analyses and proposals for developing such a strategy within the context of the country s constitutional order

and institutional constraints and that addresses the diverse and complex global and regional aspects of the country's international relations. Endorsements: In this valuable book which should be on every diplomat's bookshelf, some of SA's foremost experts offer the government frank and compelling advice on how to conduct a much better foreign policy over the next decade. The authors challenge Pretoria to muster all the country's assets and skills and not just those of the ruling party to pursue only the most important foreign policy goals. And to be guided always by the lodestar of the Constitution. Peter Fabricius, Foreign Policy Analyst, former Foreign Affairs Editor at Independent Newspapers. In this one-of-a-kind book of twelve chapters by emerging and experienced scholars, the authors probe into factors shaping South African foreign policy, lessons learned, and the future strategy of the country's foreign policy in an ever-changing world. A compelling read for policy makers and scholars. Ambassador Prof Iqbal Jhazbhay, University of South Africa, Member of the ANC's NEC International Relations Sub-Committee. Its breadth will engage newcomers; its insights will be useful to scholars and practitioners alike. Professor Amrita Narlikar, President, German Institute for Global and Area Studies (GIGA). This book offers compelling insights on South Africa's foreign policy. These varied pieces provide textured and critical perspectives that may help open up an avenue to re-imagine South Africa's foreign policy afresh in the post-Zuma years. It is a compendium that should appeal to scholars of international relations, practitioners of foreign policy, and the broader policy community. Professor Mzukiso Qobo, Head, School of Governance, University of the Witwatersrand. This nuanced and richly detailed volume offers the reader superb analyses of South Africa's foreign policy. The authors' contributions present both theoretical considerations and specific policy recommendations which make the book highly useful for both scholars and policy makers. Each chapter is thus certain to significantly contribute to promoting the public debate about South Africa's place in the world. Professor Oliver Stuenkel, Fundaç o Get lio Vargas (FGV).
